IS PROMOTED IN C.P.R. SERVICE

Geo. Carter Becomes Chief Clerk in New York Office.

It was officially announced today that George E. Carter, who was one of the traveling passenger agents of the C. P. R. in the New Brunswick district, has been promoted and will be transferred to the New York office of the company as chief clerk. He has been employed as a passenger agent for about three years and prior to that was attached to the port staff. He will take over his new duties at the last of the month. Many friends in this city will be pleased to learn of his promotion and will unite in wishing him continued success.

Mr. Carter will serve under F. R. Perry, formerly district passenger agent at St. John, who is now general passenger agent at New York. He will succeed Mr. Roche, who has been filling the position of chief clerk, and who is being promoted to assistant general passenger agent.

Mr. Carter, who is a son of Mr. and Mrs. E. S. Carter of Fair Vale, joined the passenger department staff of the C. P. R. in St. John in 1914. Less than a year later he went to Montreal where he joined the 4th University Company of the P. C. L. and in connection with that organization. When this unit was split up in England, Mr. Carter was transferred to the Canadian Machine Gun Corps with which he saw active service in the ranks in France. He received his commission in the field and during the Allied offensive late in 1918 was wounded and returned to England. He was convalescing when the armistice was signed and was returned to Canada early in 1919 and received his discharge. On demobilization, he resumed his duties with the C. P. R. and about three years ago was appointed one of the traveling passenger agents in the N. B. district.

His good work, genial disposition and willingness at all times to accommodate have been fully appreciated. His many friends will unite in wishing him continued success in his new field.

He Goes to New York

LOCAL NEWS

JUBILEE OF THISTLES.

The fiftieth anniversary of the organization of the Thistle Curling Club will be held at the Hotel Dunlop on Thursday evening of this week. A banquet will be held at 9 o'clock, following a business meeting at 7.45. At the banquet the prizes won during the winter's play will be presented to the winners.

ONE DAUGHTER IN ST. JOHN.

At 104 Victoria Road, Sydney, last week, George Rockwood of Newfoundland died, aged 56 years. He leaves his wife, five daughters, Mrs. S. Davis, Mrs. J. LeVette, Mabel and Louise of Sydney, and Mrs. M. J. McPhee of St. John; four brothers, John of Sydney and Jonathan, Henry and Mark in Newfoundland, and two sisters, Mrs. Jacob Synard of Newfoundland and Mrs. W. Synard of Toronto.

ARCANEUM SOCIAL.

The Royal Arcanum held a very pleasant social last evening in their rooms in the Market Building. An auction forty-fives game of nine tables was played. Prizes were won by Miss Gladys Martin, C. D. Strong, Mrs. Benn and G. G. Wetmore. Refreshments were served at the close under the joint co-sponsorship of Mrs. F. E. Wetmore and Mrs. R. G. Thomson. The regent, F. Andrew Ramsay, presided and presented the prizes.

SACRED HEART LEAGUE ELECTIONS.

The annual meeting of the League of the Sacred Heart, held last evening in the vestry of the Cathedral, was largely attended, and the reports submitted for the last year were most encouraging. The election of officers resulted as follows: President, Mrs. P. J. Gorman; vice-president, Miss A. McGuire; secretary, Miss G. Murphy; assistant secretary, Miss E. Lee; treasurer, Miss F. Nugent. Rev. Raymond McCarthy is spiritual director.

TO MEET HERE TOMORROW

The last phase of applications for fixing of rates in connection with the new hydro lines down the St. John river as far as Woodstock will come before the Public Utilities board at a meeting here tomorrow, when the Maine & New Brunswick Electric Company will ask to have the rates they are to charge the Carleton Electric Company fixed. The Carleton Company supplies the Woodstock Electric Light, Heat & Power Company as well as other distributors along the transmission line.

LEFT FOR CONVENTION

Councillor George Simpson of Glen Falls left this morning for Montreal to attend a convention of Division No. 4 of Railway Employees. This convention meets every four years. The other delegate from this region is L. McKinnon of Moncton. After delegates will go into session as system federation and much importance is attached to this as reorganization of the Canadian National Railway.

FAREWELL SOCIALS.

Under the direction of Miss Hazel Kelly, president of the social department of the Epworth League of Fairville Methodist church, a social evening was spent in the school room of church. Contest games, music and singing were enjoyed. Afterwards dainty refreshments were served by Miss Kelly, assisted by Misses Vivian McColgan, Lottie Kelly, Eva Taylor and Messrs. Harry Sweet, Melvin Rice and Gray Townsend.

A SOCIAL EVENING, GIVEN BY THE B. Y. P. U. in the Fairville Baptist church,

was enjoyed by many. Miss Lillian Finley, the social president, arranged the entertainment, which consisted of games and music. Delicious refreshments were served by Misses Bella Flynn, Nellie Kierstead and Herman Finley.

BURIED TODAY

The funeral of Rev. William Phillips was held this afternoon and the large attendance testified in eloquent terms to the esteem in which he was held by those who had come in contact with him during his comparatively short stay in the city. After a short service at the home, 39 Victoria street, the body was taken to the Douglas avenue Christian church, where service was conducted by Rev. W. J. Johnston, assisted by Rev. E. E. Styles, president of the Ministerial Association and by Evangelist G. E. Knight, who has been filling the pulpit during the illness of the pastor.

Among the many beautiful floral offerings received were wreaths from the Ladies Aid, Ladies Mission Circle, "Tens" Society and choir of the Douglas avenue church and from the Co-Reg street church. Interment was made in Fernhill.

THE FUNERAL OF PETER C. ROURKE

was held this afternoon at 2.30 from his late residence, 215 Wentworth street, to St. John Baptist church. Service was conducted by Rev. J. J. McDermott. Interment was in the new Catholic cemetery.

WILL PROMOTE EXTENSION WORK

University Women's Club of St. John Addressed by Two Professors.

A meeting of considerable interest took place yesterday afternoon when the newly organized University Women's Club of St. John held its first regular meeting at the home of the president, Miss Helen M. Smith, 50 Orange street. The speakers for the afternoon were Dr. George Trueman, president of Mount Allison University, and Dr. F. W. Patterson, president of Acadia. The subject under discussion was unity extension work and excellent addresses were delivered by the two presidents and a general discussion of much interest followed.

Dr. Patterson spoke of the excellent work his university had already done in this field of educational activity, and told of the keen interest felt for university extension lectures throughout the Annapolis Valley and other parts of Nova Scotia. Acadia, he said, provided excellent opportunities for any groups or organizations interested in carrying on extension work.

Dr. Trueman spoke of the great need for this work to be undertaken throughout the Maritime Provinces and of the desire expressed in many directions for extension and extra mural courses. In view of this need Mt. Allison is to open this summer a six weeks summer school, attendance at which would be acknowledged in connection with the Bachelor of Arts degree.

Both men spoke of the good extension work being carried on by Queens University and expressed their eagerness for the universities they represent to be of public service in furthering educational matters through extension lectures and work.

It is hoped that the University Women's Club may be instrumental in the near future in bringing such work with its advantages to the city of St. John. The club was organized only ten days ago and is a part of the Canadian Federation of University Women. This larger federation is in turn a branch of the International Federation of University Women, an organization which is of world-wide importance in its efforts to establish better cooperation among the universities of all nations, in its keen interest in all educational and scientific matters, and in the opportunities it gives through its many international fellowships for the furtherance of post graduate work by women students in research work and all other forms of education.

HELD IN BANGOR ON ROBBERY CHARGE

In the municipal court on Saturday, says the Bangor News, Timothy L. Harkins, of Halls Quarry, Mt. Desert and Daniel White, of New Brunswick, were held in \$2,000 each on charges of robbery of James Sullivan of Boston, at the Eastern Eating House. The victim, who had a cut on the side of the face, was a member of the visit of the pair to his room, was held in \$500 as a material witness. All three were committed, but Sullivan has a shade the better of the case as he will receive \$2 a day while in jail awaiting action on the case at the May term of the superior court.

Harkins attempted to make White appear as entirely responsible for the robbery, but White told the witness stand and told the whole story, both going to Sullivan's room and holding him while they took his money, some \$29 or \$30, and two watches. They hit him over the head when he resisted.

SUGGESTS BOLDER COLORS.

A suggestion for making the gates at level crossings more noticeable to the passerby has been advanced by G. N. Hatfield, road engineer, culled from his experience in the woods on survey work. He advocates the painting of the gates alternate stripes of yellow and red and this, he says, will stand out clear in any weather and under any conditions and be bound to catch the eye. The present black and white striping, he says, blends with many backgrounds and is apt to confuse the driver of a vehicle.

As Hiram Sees It

"I was readin'," said Mr. Hiram Hornbeau to The Times reporter, "about them blind gals an' boys that learns geometry an' music— an' how to make things just as if they could see. An' then I thought about the gals an' boys— an' the grown-ups, too—that hecs their eyesight an' is satisfied to git away from school an' ferget what they learnt in— an' 'stead o' learnin' more. We aint a bit thankful fer our blessin's. We just take 'em an' give 'em. I wish I could talk to every gal an' boy in this country an' make 'em see what's really with while in life. They'd go on havin' a good time— but it 'ud be diff'ic'ly 'ud be gittin' into a bigger an' better world all the time—even if they never went fifty mile from home. It's the brain behind the eyes that needs to be used an' trained an' used right. An' the more the brain is trained an' used the more the eye kin see an' the heart feel. This aint no sermon— but I jist thought I'd like to say what was on my mind— Yes, Sir."

BURD Quick-Seating PISTON RINGS

Unequalled for Ease of Installation, Accuracy, Efficiency and Economy

These popular piston rings are warranted to give more power with less fuel consumption than any other make of piston ring. They also prolong the life of the motor by keeping it clean and free from carbon.

We carry a full stock of standard and over-sizes for practically every make of motor car.

OAK HALL - KING ST. GERMAIN ST.

SCOVIL BROS., LTD.

The Added Touch of a Console Table and Mirror

In the reception room, or to break the monotony of a long stretch of wall space in the hall, these two go hand in hand to create the maximum artistic effect.

They are bound to be found in our show rooms in the newest and most effective designs, yet within reach of every home.

We might further suggest that nowhere in the city is to be found a more complete selection of PICTURES than in our store, portraying the work of leading and well known artists, framed in the newest and most distinctive frames. These too will be found to give "that added touch" which is so often sought after.
