## Don't let constipation make you an invalid —relieve it with Kellogg's Bran

Few people realize how dangerous is constipation until this dread disease tears down their health. Did you know that more than forty serious diseases can be traced to constipation?

Keep your health, or restore it, with Kellogg's Bran, cooked and krumbled. It brings relief in mild and chronic cases of constipation. It is effective because it is ALL bran. That is why it is recommended so highly by doctors. They know that only ALL bran can bring 100 per cent results. Part bran is, at best, only a halfway measure.

If eaten regularly, Kellogg's Bran will bring permanent relief—even in the most chronic case. It is guaranteed to do so. If it fails, your grocer will return your money.

Because it is ALL bran it sweeps, cleans and purifies the intestine. Like nature, it acts naturally. It makes the intestine function regularly.

Eat it every day—two tablespoons—in chronic cases, with every meal. Eat it with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. Enjoy it in those wonderful recipes given on every package.

The flavor of Kellogg's Bran, cooked and krumbled, is delicious. It is crisp, nut-like. Quite different from ordinary bran, which are so unpalatable. Kellogg's Bran is made in Toronto, Canada and served by the leading hotels and clubs everywhere. Sold by all grocers.

The flag raising will take place at 10.30 a.m. A watering pot, such as you use for flower gardens, is an excellent device for sprinkling the clothes.
