NOTICE IS HEREBY GIVEN BOTTLEDALE & PORTER. DANGER!

People having Feather beds and Pillows do not seem to realize the danger there is in using them without being cleaned, especially in times of an epidemic, as feathers retain all the exhalations and poisonous matter exuding from the person, and by so doing spread sickness through the family. ARTHUR C. FAIRWEATHER.

Our steam cleansing process eliminates all the poisonous matter and leaves the feathers in a better condition than ever. Leave Orders at
