REPORTS OF THE BRANCHES

COATICOOKE

President..... MRS FOSTER.
Vice-President..... MRS L. SLEEPER.
Secretary-Treasurer..... MRS G. O. DOAK.

The Coaticooke Branch of the W. A. was organized in August, 1893, with seven (7) members, since which time it has increased to twenty five (25).

We meet once a month at the houses of the different members; but I am sorry to say the average attendance is very small. It is almost impossible to keep up a lively interest in Mission work.

We are very much in need of a Guild Hall in which to hold our meetings. I think the attendance would be better if we had one.

The Dorcas Secretary Mrs Wurtele, has given us, at our request, a special work, viz: the Boys' Home at the Sarcee Reserve, Calgary, and we hope to send them a box of clothing etc. by October.

Being rather late in sending our subscription for the "Leaflet" last year, the numbers all came together, which was unfortunate, as I do not think our members took as much interest in them as they would have done, if the papers had come once a month.

We have received the May 1894 number, but have only seven (7) subscribers.

COMPTON.

President..... MRS G. H. PARKER,
Vice-Presidents..... MRS WINDER, MRS WETHERALL.
Secretary-Treasurer..... MISS L. M. COCHRANE.

This Branch has not a very fruitful year to report: We are however glad to be able to fulfil our Annual Subscription of five dollars towards the Education Fund. Two dollars have been spent in material, making our receipts for the year \$7.00, and several gifts of flannel, etc., have been made. We hope by November that a parcel of respectable dimensions will be ready to send off.
