Of Cancer. The theory of the origin of cancer

which we have long upheld, is now being amply demonstrated by English and German scientists. Many scoffed at us at first and were inclined to be incredulous. Now, with hundreds of cures to our credit, there are very few indeed who will doubt the efficacy of our New Constitu-tional Remedy, which cures cancer by getting at the root of the troubletroying the cancer germs and poisons in the blood. If you would like full particu lars of this treatment, send two stamps to Stott & Jury, Bowmanville, Ont.
