made by Walter McFarlane. All Mowing Machines do good work while new. Some are made to sell quick and wear out quick, but Cossitt's Buckeye Mower is strongly made, runs easy, wears long, and will do good work when any other mower, having done the same amount of work, is useless. The Buckeye has the strongest yet simplest gearing system of any mowing machine made. There are only 4 gear-wheels.

COSSITT'S RAKE is acknowledged by all who have used it to be the best in the market. A boy 10 years old can operate it with ease. It is simply constructed and contains no part liable to get
