

GERMAN.

First Year.

OLLENDORFF'S Grammar, combined with a regular course of the pronunciation and the regular and irregular verbs. *Adler's Reader*.

Second Year.

Continuation of OLLENDORFF'S Grammar. The scholars continue to read *Adler's Reader*, and begin SCHILLER'S *Lyrical Poems*, and one of his *Comedies* in prose.

Third Year.

In this year I follow the same plan as in French. The scholars read one or more of SCHILLER'S Tragedies, besides one of the Comedies in prose, by the same author.
