

## THE STANDARD'S BASEBALL GALLERY FOR SEASON 1909

Cincinnati Left Fielder

Although Paskert is not a new player with the Cincinnati team he is a better player than he was last year. Down south some seasons ago, when the Highlanders were practicing, Griffith had a chance to see Paskert, when he was with one of the teams of that section, and when he came back to that city said that he appeared to be a good outfielder.

This year he has him in Cincinnati, and Paskert seems to have improved under the teachings he has received since the start of the season. He is fast in getting over the field and around the bases, indeed, he was that good before he joined Cincinnati and now he seems to be a little better.

In the first game against the Giants he made a beautiful line hit which went a long way toward making trouble for the home team, and he can get well out on the ball and catch those hard line drives which sometimes look

as they might sail away for two-baggers. Cincinnati appears better stocked with outfielders this year than the team has been for a long time.

### DIAMOND GLINTS.

Charley Preault, the former Red Sox pitcher, pitching for New Orleans the other day, let down the Nashville team with but two hits.

Larry McLean, the long Cincinnati catcher, has been suspended indefinitely without pay on account of being absent from the team for a week without an excuse.

Catcher Jack Evers, a cousin of Johnny of the Chicago Club, has been released by the Birmingham club. Evers was struck on the knee by a foul ball in a game last week and has been out of the game ever since.

## JOHNSON THINKS JEFF TOO OLD FOR FURTHER BATTLES

Jack Johnson has come to the conclusion that James J. Jeffries will never fight again and a few days ago the negro declared that there was absolutely no chance for him to make a match with the retired heavyweight champion.

Jeff Too Old. "Jeffries is too old and cannot get into condition to fight anybody," declared Johnson, "so there's no chance for me to ever meet him in the ring. I know what I'm talking about, for I've got a good line of Jeff's condition. He is all in and nobody knows it better than himself. If he intends to fight me he would have covered my money and signed articles weeks ago instead of trying to bluff the public. I do not say that I have thrown the proposed match with Jeffries over, but I simply wish to let people know that Jeffries is too old to fight. It's not because he doesn't want to fight me, but because he can never get into his former good trim."

Hot After Kaufman. Johnson is red hot after a match with Al Kaufman, now that he has decided to cut his trip to England and France. The big negro says he was to show the American sporting public that he can whip all his challengers and that he intends to go right down the line, taking on Kaufman, Ketchel, Langford, Jeannette, Porgerson and the others in order. He thinks that Kaufman is an easier mark for him than either Ketchel or Langford, and says that he will fight Billy Delaney's would-be champion all the way from 20 to 100 rounds.

## BOBBY KERR OFF TO EUROPE IS CONFIDENT OF DERBY

Toronto, Ont., May 28.—Bobby Kerr, the Hamilton sprinter, and world's 220 yards champion, left this morning for England to defend the English championship title.

He won in England, the gold challenge cup for the best performance and the two challenge cups for the 100 and 200 yard events. Kerr was looking in perfect condition when he won at the London. He expressed himself as confident of winning the 200 and had a great hope of capturing the 100 again. In both of these events he will meet Reginald Walker, the South African sprinter, whom he defeated in the 100 before the Olympic games and who afterwards defeated him in the 100 Olympic event.

Both Kerr and Walker have invitations at Stockholm, Berlin, Paris and Edinburgh and both will likely take them in after the British event.

WITH THE BOXERS. From recent accounts the boxing game is on the wane in Paris, and the visiting boxers from this country are fast returning home.

There is a likelihood that Walter Willoughby, the clever middle-weight wrestler and boxer, will be the next opponent of Porky Flynn. The Army crowd would like to have them appear in a semi-final.

Willie Lewis can fight like a house on fire abroad, and can topple over the hard-looking ones with consummate ease. His latest victim was Andrew Jephtha, who lasted three rounds with the New Yorker the other night.

## MEETING FOR FORMATION OF N.B.A.A. TO BE HELD SATURDAY NIGHT'S MEETING

The first step towards the formation of a New Brunswick Amateur Athletic Union was taken Saturday evening when representatives from the more prominent athletic organizations of the city met at the Y. M. C. A. Building and discussed the project. Secretary Robb of the Y. M. C. A. was appointed chairman and D. B. Donald, secretary, pro tem. After a lengthy discussion in which the relations of amateurs and professionals in baseball were gone into in some detail, the meeting passed a resolution favoring the formation of a N. B. A. A. and urging the M. P. A. A. to reinstate those now under suspension.

Another Meeting June 7. On the motion of Frank White of the Marathon A. C. the secretary was instructed to get into communication with the various athletic organizations of the province and invite them to send delegates to a meeting to be held in St. John on the evening of Monday, June 7, at which the question of union would be discussed.

Ask That Suspensions Be Raised. J. Bradbury, of the Marathons, moved that the secretary be instructed to ask the M. P. A. A. to reinstate those now under suspension of New Brunswick baseball players be raised in order that the present situation might be cleared.

Representative Meeting. The meeting was a representative one. Those present were A. Robb, E. J. Robertson, Y. M. C. A.; Frank White, J. Bradbury, D. B. Donald, Marathon A. C.; A. W. Covey, George Stubbbs, J. W. Covey, Every Day Club; E. Mahoney, Chas. McCormick, St. Peter's Y. M. C. A.; Frank Gearson, C. W. Clark, Algonquin A. A.; A. Hovine, J. Ritchie, Ym. Cillepie, Jaa. McBride, Clipper A. A.

To Affiliate With M. P. A. A. The majority of those present were opposed to breaking away from the M. P. A. A. Mr. Gillespie made a motion to the effect that the proposed union affiliate with the Federation but could get no second. Amateurism in the strictest sense was what the majority of those present seemed to favor.

Baseball Bone of Contention. It was easy to see that baseball was the sport over which all the trouble had arisen. The professionalizing of the St. Peters and St. John the Baptist baseball teams for playing with and against Tom Howe has caused the movement toward the formation of a union. At Saturday night's meeting Mr. Gillespie plainly intimated that what was wanted in St. John was professional or at least semi-professional baseball. It is hardly likely that Mr. Gillespie is the only local baseball manager who has the same desire and he deserves credit for having the courage to state his conviction. The placing of baseball on a recognized professional basis would do much toward removing the difficulties confronting amateur sport in New Brunswick. The men who want to play semi-professional baseball and also compete in other amateur sports who are making the trouble.

System Outlined. Chairman Robb at Saturday's meeting outlined the system under which the Cape Breton A. A. operated. Athletics in Cape Breton when the C. B. A. A. was formed, had been in a state similar to that in which it is now in New Brunswick at the present time.

Knocks for the M. P. A. A. In the discussion which followed the M. P. A. A. received some hard knocks. The suspension and reinstatement of hockey players was touched upon as well as the professionalization of ballplayers.
