### NERVES WERE SO BAD THOUGHT SHE WOULD GO OUT OF HER MIND.

Diseases of the nervous system are very common. All the organs of the body may be sound while the nerve centres may be affected.

Many women become run down and worn out by household cares and duties sever ending, and sooner or later find themselves with the nerves shattered, and the heart action weakened.

On the first sign of any weakness of either the heart or nerves, sagging energy, or physical breakdown, do not wait until your case becomes hopeless.

Millburn's Heart and Nerve Pills will at once quieten the nerves, strengthen the heart and build up the entire system.

Mrs. Archie Goodwin, Tilley, N.B., writes: "When I was troubled with my heart two years ago, I was very bad. My nerves were so unstrung that sometimes I would almost go out of my mind. I doctored myself with everything I could get, until at last I got four boxes of Millburn's Heart and Nerve Pills, and they have cured me. I cannot speak too highly of this wonderful remedy, and will recommend it to all sufferers."

Price, 50 cents per box, or 3 boxes for \$1.50, at all dealers, or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

#### If cross, feverish, constipated, give "California Syrup of Figs."

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally; has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and your baby will be a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "babies" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine, the "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Stand back with contempt any other fig syrup.
