WEDDINGS.

Mawhinney-Thorpe.
Special to The Standard.

Mace's Bay, Oct. 15—Trinity church
at Mace's Bay was the scene of a
pretty wedding on Thursday evening,
Oct. 10th, at 7:30 o'clock, when Miss
Mildred, daughter of Mr. and Mrs.
Thorpe, of this place, became the
bride of Gunner LeRoy G. Mawhinney,
formerly of this place, but now of No.
9 St. George's Church, St. John. Rev. Mr.
Lancé officiated.

The church had been prettily de-
corated with flags, bunting and maple
leaves by girl friends of the bride.
She was given in marriage by her
uncle, A. J. Mawhinney, and looked
charming in a dress of Belgian blue
silk and crepe de chine, and carried a
bouquet of pink and white roses. After
the ceremony a dainty supper was
served to the immediate relatives of
the young couple at the home of the
bride.

Following this the younger people
were entertained in the County Line
Hall, during which refreshments were
served. The bride was the recipient
of many nice presents, including silver-
ware, glass, china, etc. The groom's
gift to the bride was a ring, set with
diamonds and pearls. All joy in
wishing them a happy and prosperous
journey through life.

Lefebvre-Grant.

Fredericton, Oct. 16—John Lefa-
bvre, of St. John, and Miss Gladys
Grant, of Fredericton, were married
here this morning by Rev. J. S. Suther-
land. On account of the influenza epi-
demic a church wedding could not take
place. The wedding took place at the
residence of Mr. and Mrs. Peter Mc-
Donald, Regent street. The young
people were unattended. The groom is
a returned soldier and was married
in Germany studying music at the out-
break of the war and could not leave
that country till some time afterwards.

At the Cathedral yesterday morning
Rev. William Dunn united in mar-
riage Miss Florence J. Bardsley and
James A. McCullough. After a wed-
ding breakfast at the home of the

TURN HAIR DARK
WITH SAGE TEA

If Mixed With Sulphur It
Darkens so Naturally No-
body can Tell.

The old-time mixture of Sage Tea
and Sulphur for darkening gray,
streaked and faded hair is grand-
mother's recipe, and folks are again
using it to keep their hair a good, even
color, which is quite sensible, as we
are living in an age when a youthful
appearance is of the greatest advan-
tage.

Nowadays, though, we don't have to
trouble some task of gathering the
sage and the mussy mixing at home.
All drug stores sell the ready-to-use
product, improved by the addition of
other ingredients, called "Weyth's
Sage and Sulphur Compound." It is
very popular because nobody can dis-
cover it has been applied. Simply
moisten your comb or a soft brush
with it and draw this through your
hair, taking in the small strands at a
time; by morning the gray has dis-
appeared, but what delights the ladies
with Weyth's Sage and Sulphur Com-
pound is that, besides beautifully
darkening the hair after a few applica-
tions, it also produces that soft, luxu-
re and appearance of abundance
which is so attractive. This ready-
to-use preparation is a delightful tol-
lerant for those who desire a few
youthful appearance. It is not
intended for the cure, mitigation or
prevention of disease.

To Relieve Catarrh,

Catarrhal Deafness
And Head Noises

Persons suffering from catarrhal
deafness, or who are growing hard of
hearing and have head noises will be
glad to know that this distressing af-
fliction can usually be successfully
treated at home by an internal medi-
cine that, in many instances, has ef-
fected complete relief after other treat-
ments have failed. Sufferers who
could scarcely hear have had their
hearing restored to normal hearing
the tick of a watch was plainly heard,
ble seven or eight inches away from
either ear. Therefore, if you know of
anyone who is troubled with head
noises or catarrhal deafness, cut out
this formula and hand it to them, and
you may have been the means of sav-
ing some poor sufferer perhaps from
total deafness. The prescription can
be prepared at home and is made as
follows:

Secure from your druggist 1 oz.
Paralmin (Double Strength). Take
this and add to it 14 pint of hot
water and a little granulated sugar,
stir until dissolved. Take one table-
spoonful four times a day.

Paralmin is used in this way not only
to reduce by tonic action the inflamma-
tion and swelling in the Eustachian
Tubes, and thus to equalize the air
pressure on the drum, but to correct
any excess of secretions in the middle
ear and the results it gives are nearly
always quick and effective.

Every person who has catarrh in
any form, or distressing rumbling,
hissing sound in their ears, should
give this recipe a trial.
