

POTATO GROWERS FLOOD CAPITAL WITH PROTESTS

Ottawa is Told by New Brunswick Growers That Embargo Means Ruin.

WEST NOT ALARMED OVER WHEAT CASE

Capital Inclined to Think United States Will Not Adopt the Measure.

Ottawa, Dec. 20.—That there is considerable alarm throughout Canada over the possibility of the United States congress yielding to the demands being made across the border for the placing of an embargo on the importation of foodstuffs is indicated by telegrams being received by the government and the heads of the government departments.

Down in the maritime provinces the people are particularly alarmed over the prospects of potatoes being shut out of the United States as it is realized that the loss of the chief market for the leading products of the maritime province farms would mean stagnation for the agricultural industry of the provinces down by the sea.

Less in West.

The situation would be no less alarming for the wheat and cattle industry of the western provinces were an embargo to become effective.

In official circles, however, there is a disposition to doubt the possibility of the United States congress yielding to the pressure for the prohibition of importation of the products of the farm. Canada is one of the best customers the United States has and it is not generally believed that congress will sanction legislation which would have the effect of seriously disturbing trade intercourse between the two countries.

STOPPED HER HEADACHES

Years of Suffering Ended By "Fruit-tives."

112 Hazen St., St. John, N. B.
"It is with pleasure that I write to tell you of the great benefit I received from the use of your medicine 'Fruit-tives,' made from fruit juices. I was a great sufferer for many years from Nervous Headaches and Constipation. I tried everything, consulted doctors, but nothing seemed to help me until I tried 'Fruit-tives.'"

After taking several boxes, I was completely relieved of these troubles and have been unusually well ever since."

Miss ANNIE WARD.

SCHOOL CLOSING AT GREY'S MILLS

Grey's Mills, N. B., Dec. 20.—The school at Grey's Mills in charge of Miss H. E. Puddington held their closing as usual. A large number of parents and friends were present. A programme of lessons and school work was carried out, followed by Christmas songs, recitations and dialogues. Rev. Mr. Waterhouse presented Messrs. Martin MacDougall and Edith Smith with rewards for attendance. He then addressed the assembly, highly commending the teacher and pupils for their work, and gave a very eloquent address on the duty of parents and pupils in regard to school work, and was warmly applauded. Mr. S. H. Bradley (trustee of the school) followed and congratulated teacher and pupils on the excellent way in which the school work had

MAIL LOSSES WERE LESS

Regina, Sask., Dec. 20.—Saskatchewan's losses from mail in 1920 were very much lower than in the previous year, according to a special report by A. E. Fisher, superintendent of insurance for Saskatchewan. Returns are not complete yet, but to date they show a loss ratio for 1920 which is only a little more than half the loss for 1919, when the premiums of the mail companies amounted to \$2,214,967 with losses paid totaling \$1,006,208, loss ratio of 78.02, while the loss ratio for 1920 is estimated at approximately 41.

Hardening of Arteries

A serious condition which is relieved when you arrest the liver, kidneys and bowels to action by using Dr. Chase's Kidney-Liver Pills. One pill three times a day, all doctors.
