A SUMMARY OF EVENTS AT HOME AND ABROAD.

What is going on Among Ourselves—The Daily Doings of Our Neighors Talked About-People you know or of Whom have heard.

harlottetown, P. E. I., March 11—
pecial)—Mrs. D. B. Stewart, daughter
of the late Judge Pope, died yesterday
ifter a year's illness.

Quebec, March 10—(Special)—The death occurred Sunday morning after a short in the property of the firm of M. Scanlan, i.e., a member of the firm of M. Scanlan, i.e., a mem

Quebec, March 10—(Special)—The Quebec detachment for Baden-Powell's police left this afternoom for Halifax in charge of Percy Wilkinson.

Memramcook, N. B., March 11.—Miss Bessie Green, eldest daughter of Mr. Louis Green, St. John, died this morning at the Academy of the Sacred Heart, Memramcook, aged 13, of inflammation. She had been sick six days. Her parents were present. She was a great favorite, and much sympathy is felt for her family.

Toronto, March 9—(Special)—Counterfeit \$2 Dominion bills bearing King Edward's head are in circulation here. The counterfeiting is rough and easily detected and the bills are of smaller size than the genuine article.

ronto, March 8 .- Hon. William Mu-

and Land Company with the Montreal Lighting and Power combine has definitely failed. The combine now includes the Royal Electric, Gas and Chambly com-

Ottawa, March 8.-Mr. Maxwell, M. P., received a telegram from Andrew Carnegie tonight saying that he would give \$50,000 for a free public library to the city of Vancouver, providing that the city would give a site for the building and \$5,000 a year for its maintenance.

Gagetown, March 6—At the home of Mrs. Elizabeth Simpson on Tuesday, the 5th first. Miss Marion Jennie Simpson, the has been ill for several months, peacefully passed away. Miss Simpson was a most worthy and estimable young lady. Her very many friends will deeply sorrow to hear of her death.

Bingham to compel the latter to return him as elected stands for judgment. Thornton will likely appeal against Judge Street's decision.

East Scotch Settlement, Kings Co., N. B., March 9.—Death has removed one of our most respected citizens in the person of Duncan Menzie, whose demise occurred at his home here on Tuesday, the

Moncton, March 8—(Special)—On arrival of train with Strathcona Horse at Moncton Col. Steele was presented with a handsome travelling bag and address. The hour was 2 o'clock but a large number of citizens were there. The address was read by Rev. E. B. Hooper and the presentation was made by Mrs. White. Col. Steele replied amid cheers.

Steele replied amid cheers.

Steel replied amid cheers.

Montreal, March 10—(Special)—Dr. Brymer, a young Montreal medical man, was arrested tonight, charged with causing the death of Miss Christy Hadley, a domestic, and daughter of Robert Hadley, of Howick, Que., who died as the result of malpractice. Dr. Brymer affirms innocence and declares his name must have been forged to the certificate of death.

Sydney, C. B., March 8.—A Sydney bound train was derailed at Caledonia today. The accident was due to carelessness of an employe who left the switch open. The train crashed into a number of coal cars. Michael McKenzie, baggage master, had several ribs broken by trunks falling on him. Others on the train were badly shaken up and bruised. A number

Kingston, Ja., March 10-The government of Jamaica, acting on behalf of the British government, has sent a strong protest to the president of Ecuador against the employment of soldiers to compel thousands of laborers from Jamaica to work under the McDonald syndicate in the construction of the railroads from

protest is almost an ultimatum as

Ottawa, March 8-(Special)-Mayor Morris has been informed, he says, from a reliable source that the Canadian Pacific 80 years. Deceased had resided the great Railway Company are massing a force of 500 laborers and men of all classes to lay

house respecting the coronation oath. Medcalf Lodge, in Mr. Kemp's constituency, tonight passed the following tpical well-known in athletic circles, being a resolution: "This lodge pledges itself to noted runner. Yesterday Mr. and Mrs. do all in its power to secure defeat at the polls of A. E. Kemp, M. P., and W. F. Maclean, M. P., should they offer themselves for re-election. Hearty thanks of Medcalf Lodge are tendered to those members who had the courage of their recombinations to works against the recombinations. The second of their consistence to works against the recombinations. The second of their consistence to works against the recombinations. The second of their consistence to works against the recombinations.

Ottawa, March 8.-The statement of revenue and expenditure of the dominion for the eight months ending February last was issued by the finance department

It shows that the revenue for that time

left this afternoon for Halifax in charge of Percy Walkinson.

Montreal, March 8.—The will of the late Major "Gat" Howard, recently killed in South Africa, was probated here this afternoon. The estate is valued at \$200,000 and is divided among his six children.

Charlottetown, P. E. I. March 11.

Charlottetown, P. E. I. March 11—
(Special)—The funeral of the late Capt.

Ayward took place this morning. De
Amherst, N. S., March 11—(Special)—

Mrs. Moore, wife of ex-I. C. R. Station

Agent T. S. Moore, of this town, slipped on the icy sidewalk this afternoon, sus taining a severe fraction of the hip joint. Doctors Mitchell and McLeod succeeded in reducing the fracture and Mrs. Moore is now resting comfortably.

Moncton, March 10.—(Special)—Silas Crane Charters, father of S. C. Charters, I. C. R. station agent at Point du Chene, E. A. Charters of Sussex, and A. M. Charters of Memramcook, died at his home at Memramcook today, aged 85 years. Deceased was well-known throughout the country. He had been ill for some time. He was postmaster at Memramcook.

Barrie, Ont., March 10-(Special)-Mrs. E. M. Foster today received a cable from the war office announcing the death of her Toronto, March 8.—Hon. William Mullock left last night for New York en route for Australia, where he goes to represent Canada at the inauguration of the commonwealth. The postmaster general was accompanied by Mrs. Mulock and his son about a very area Mrs. Feeter was return. about a year ago. Mrs. Foster was return-Montreal, March 8.—The attempt to ing to Barrie, her former home. She inmalgamate the Lachine Rapids Hydraulic herits a large estate in England by her

Moncton, March 10 .- (Special) - Rev. tor of St. John's Presbyterian church and Notes. convictions to vote against the recommendations and especially to Grand Master and Sovereign N. C. Wallace." pastor of Moncton church for the last twelve years, coming here from Springhill, N. S. His parting words tonight were listened to by a very large congrega-tion, made up of members of all the city denominations. Mr. Robinson has had a very successful pastorate here, over 600 It shows that the revenue for that time was \$33,618,494 and the expenditure \$26,54,846, leaving a surplus of about \$7,000.

The revenue for the past eight months increased by \$1,241,482 over the same time last year. There was an increase in every branch of the service.

The expenditure also shows an increase.

On capital account the large amount paid for railway subsidies brings the amounts of the church workers and to \$6,125,000 or about three quarters of a million dollars over the sum paid out for the eight months in 1900. members have been added to the church jection was taken to the increase on the and the church is much better financially ground that regular insurance companies

MOTION TO SUBMIT C. P. R. LAND GRANTS TO THE SUPREME COURT.

Mr. Davis Wants This, and Also That the Entire Land Grant Be Patented--Matter of Iron Bonuses--The Canals

Mr. Dyment introduced a bill to incorporin the morning of the day on which it is ate Clergue Iron and Steel Company of Canada. A large number of other private bills were also introduced.

that steps should be taken to submit to the supreme court the question of the land | for Prince Edward Island.

bounties from the dominion amounting to \$8,095,000. In view of the probable desection of the iron industry in the next few years he thought it was possible that the amount earned would be doubled. Be-sides, there were the Cramp Steel Company of Canada and other iron establishments that would also likely carn large amounts. It was apparent that the dominion would have to pay out very large

sums in bounty, perhaps from \$25,000,000 to \$50,000,000. While not wishing to interfere with any

business of the country.

Col. Prior suggested there should be a bounty on lead refined and produced in Canada, calling attention to a resolution of the amalgamated boards of trade held of \$5 per ton.

of so per ton.

On estimates of the public works department being taken up, Mr. Tarte announced that he expected that the new channel in the St. Lawrence, 30 feet deep and 450

various means of improving the trade of the St. Lawrence by the provision of feed-ers. He explained the work at Port Colborne which upon completion would enable the large lake vessels to discharge their the large lake vessels to discharge their cargoes from the west at a Canadian port. Heretofore these vessels have had to go to Buffalo because there has been no accommodation on the Canadian side. The grain discharged at Port Colborne could find its way to Montreal via the St. Lawrence canals a distance of 275 miles. rence canals, a distance of 375 miles.

Mr. Tarte next referred to the Parry

Sound route and the work being done to

mprove the depot harbor. He remarked, n passing, that Mr. Booth had carried out in passing, that Mr. Booth had carried out his enterprise without much aid from the government. During the past season the Parry Sound line had been the greatest carrier of grain to Montreal during the past season. Mr. Tarte next called the attention of the house to the project to make a 20 foot channel from the lakes to North Bay via the French River. He said the project could be carried out for \$2,000. the project could be carried out for \$2,000,-000. (4rain vessels by this route could connect at North Bay with the C. P. R. and thereby furnish traffic for Montreal. Mr. Tarte, in his comment, said that as was said of old that all roads should lead to Rome so should all roads should lead to Rome so should all roads in Canada lead to the St. Lawrence route.

Mr. Tarte aunounced that \$5,500,000 had so far been spent on the St. Lawrence

so far been spent on the St. Lawrence route and \$2,000,000 more, it was expected, would complete the work thereon.

Mr. Haggart came out strongly in favor of improved accommodation at Montreal harbor and also expressed approval of the French river scheme, which is to connect with the C. P. R. He was sorry nothing had been said in regard to the Georgian Bay canal scheme in which he had great confidence and predicted that it

grant Bay canal scheme in which he had great confidence and predicted that it would be built.

Mr. Haggart defended the construction of the St. Lawrence canals and argued that even if little traffic developed on them their construction was justified because by reason of the canals being there they die order to the police to have every man on duty armed and for them to remain near the center of the city so as to be easily within call in case of an alarm. He says within call in case of an alarm. He says that 5,000 men will not lay those rails across the Richmond road.

Teronto, March 8.—Orangemen of Tomonto district are very angry over the passage of the resolution by the dominion are nephews. A grandson of deceased is house respecting the coronation oath.

Mr. Ingram, of Elgin, was informed by the premier that the government was not satisfied that the subject of technical edudominion government.

On motion of Mr. Bourassa returns were ordered of all the correspondence between the Canadian and British governments relating to commissions to be granted to Canadian officers in the British army canadian oneers in the British army, also for all correspondence relating to the recruiting of the Baden-Powell police in Canada and copies of all offers to requests for new Canadian troops for South Africa and correspondence relating therete

The minister of finance replying to a acception by Mr. Lemieux in regard to the Metropolitan Life Insurance Company said that the government was aware tha lap-es of this company in Canada in the year 1899 amounted to \$5,605,372 and that the income for the same year amounted to \$344,158. No special inquiry was made as to the lapses, but returns made to the government show the lapses to be very the larger proportion of the company's business was industrial insurance. Col. Hughes, of Victoria, moved a reso

lution that assistance should be given rural battalions to attend the rifle association matches. In the course of advo-cacy of his suggestions, Colonel Hughes expressed the fear that the rifle club scheme the government proposes to ini-tiate might lead to the young men dissociating themselves from the militia. Major Thompson, of Welland, said he inderstood it was proposed to make it a condition that, in the event of necessity the members of the clubs should be sub learn the art of shooting. Mr. Thompson also urged the giving of cheap if not free

of the militia should be encouraged to master the rifle rather than that just a

to make sure that the rifles were taken in good faith. He did not think it desir-able to issue rifles to that class who shoot

The leader of the opposition asked whether the government had given any consideration to the question of training young men in the riding and management of horses. He also thought it seemed de-sirable to train some to shoot while on

The minister of militia said a beginning had been made in Manitoba and the ter-nitories in regard to mounted rifles. In nitories in regard to mounted rifles. In this connection he thiought a school would be established in Winnipeg or some other western point somewhat on the lines referred to by the leader of the opposition. Col. Hughes said the purpose of his resolution seemed to have been overlooked, viz: Encouragement for all regiments to send representatives to the big rifle matches. He said as things now were members of rural battalions were absolute. members of rural battalions were absolute prohibited from chance to get on the Bisley team. He wanted something done for the country boy who in the
