Wednesday, Sept. 16th FROM LONDON: OLYMPIA, - - - Wednesday, August 19th, For Halifax, and St. John, N. B. For Halifax, and St. John, N. B.

It is the intention of the Anchor Line Company to despatch these Steamers promptly as advertised, (unless prevented by unforeseen circumstances), and being powerful and of large carrying capacity, should receive from importers their undivided support.

We would especially direct attention to the London sailings, for which a speedy and full-powered Steamer of 2300 tons has been provided, the date of whose departure has been arranged with a view to afford the most accommodation to importers generally.

The Steamers above advertized are first-class, in every respect, and being comfortable, reliable and splendidly equipped, should be largely patronized by travellers.

To parties desirous of bringing out their friends, we wilk grant Certificates of Passage from any place in England, Ireland or Scotland, to St. John, N. B., which are good for 12 months.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other ans, and vital organs wasted beyond Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially ose of the Mississippi, Ohio, Missouri Illinois, Tennessee, Cumberland, Arkan-sas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannan, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive de-rangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a pow-erful influence upon these various or-gans, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the powels are loaded, at the same time stimulating the secretions of the liver,

and generally restoring the healtly functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take held of a system thus fore-armed. Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste tation of the Heart. Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms.

For Female Complaints, in young or old, married or single, at the dawn of wo-manhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow will follow.
