DEMPSEY SAYS HE'D BO—BOTH

Would Meet Carpenter One Day, And, if Victorious, Willard

New York Jan 31.—Since Manager Jack Kearns, who takes care of the fight interests of Jack Dempsey, has been practically assured a match with Jess Willard he turns his attention to Georges Carpentier, the only other heavyweight contender to have a chance box him at the drop of a hat. He's even agreed to stop the Frenchman in ten rounds and if he fails to waive all rights to the match with Willard, Rickard can make it a two day tournament if he likes Dempsey to meet Carpentier and the winner to take a Willard on the following day.

"All we want is the chance to meet

Willard for any number of rounds, the more the better. Naturally we are not averse to being well paid for our trouble but the money end of the match is entirely a secondary consideration with us."

GIANT WOLVES DESTROYING GAME

Giant timber wolves in unprecedented numbers are ravaging the moose and other big game herds of Northern Manitoba according to reports received by George Morrison M.P.P. for Rupert's Land, from Indians. "As we came down," the member said "I was shown by Indians spots where moose had been pulled down by these huge wolves and devoured. One Indian trapper told me that he was carrying a rifle on all his journeys this season owing to the prevalence of the big wolves. This man asserted he had recently come across a big moose lying on the ground still alive, but with half a leg chewed off. The Indian had frightened the animal away before they could finish destruction of the moose."

ALLAN CUP ELIMINATIONS
According to The Winnipeg Telegram the champions of the Manitoba Hockey Association will go to Fort William to meet the Thunder Bay League winners in an elimination series. The Fort William Times Journal remarks that a very few hands of hockey is being played in the Thunder Bay region owing to the use of many "outsiders" who have been secured by the various teams. It would appear that the Allan Cup trustees and the Canadian Amateur Hockey Association may have to hold a little "elimination" series of their own before the competition for the cup commences.

PROBABLY WINNERS OF MANY GROUPS
The O.H.A. championship race in the three series—senior, intermediate and junior shows the following teams as probable group winners and the standing of the clubs in the various groups.

Senior Series.
Group No. 1—Hamilton or Dentals.
Group No. 2—Kitchener St. Pats or Newman Hall.

Intermediate Series.
Group No. 1—Cornwall City League.

NEWMANS AND ST. PATRICKS MEET AT ARENA TONIGHT

The result of tonight's game between Newman Hall and St. Patrick's will have a distinct bearing on the group championship and with so much at stake the teams can be depended upon to battle all the way. Newman Hall, judging by their grand performance against Kitchener should prove favorites but this is no guarantee that they will win because the present season is one in which upset is plentiful. However they have a formidable team and will take a whole lot of future games "Jerry" LaFlamme is showing his best form of recent years, and the same is true of Woodstock. St. Patrick's are now tied with Kitchener for the leadership and a win or loss means much to them at this stage. Hugh Aird, the well known U of T. and Victoria star, is rapidly rounding into condition and may possibly be used on Monday night.

In case Aird is used, Etherington will look after the centre ice position.

SKATE JUICE

By Dan

On Tuesday night the All Stars will be numbered as follows:
1—Charlie Stewart, Dentals.
2—Jerry LaFlamme, Newman Hall.
3—Moose Hefferman, St. Pats.
4—Stanley Brown, Dentals.
5—McCarthy, Hamilton.
6—Kilpatrick, Newman Hall.
7—Roach, Hamilton.
8—Farland, Veterans.
9—Ingoldby, Newman Hall.
Stanley Brown's work will be watched with interest by all fans who remember he is a graduate of our own Union Jacks. He is the sensation of Senior O.H.A. this year and Wismer & Co. are busy explaining why he was allowed to slip through their fingers.
Farlow is the pick of the veterans and this year has played clean, consistent hockey.
Hefferman needs no introduction—he is half the St. Pat's team.
Fance Ingoldby is a product of Eddie Powers Junior Champs of last year. He has made good in the "Big Show" and looks better every time out. He is a nephew of Judge Hearn.
Charlie Stewart was knocked cold twice in Hamilton and played the last period with his right eye closed. Should he not be in shape to play, Collett of Newman Hall will take his place.
Hamilton officials were not anxious to allow McCarthy and Roach to play with the All-Stars. "Mickey" told them what he thought of them and incidentally remarked that "if he had broken a leg, he sure would appreciate it if the boys did as much for him."

Kilpatrick makes his debut in Kitchener this game. He is a returned man and has lost the sight of one eye. That did not prevent him from giving Hiller the time of his life last time they met.
Jerry LaFlamme should get a great "hand" from the crowd when he appears. He is a great friend of Solly's and generously offered to round up a few of the best for an exhibition game. He made good with a vengeance. Jerry is one of the most popular boys that ever wore skates, and his actions in this case will make him solid with Kitchener Fans. If they want to be real nice to him and give him a good time, they will not call him old. He is as sensitive as an old maid.

Tickets are selling fast. All good sports are buying whether they expect to see the game or not. Don't be satisfied with one ticket—buy two. Local Fans are going to see to it that the visitors will always remember this trip. It is a great tribute not only to Solly but to Kitchener sportsmanship that they were so ready to come.

Some of the old friends of Arno Hanenborg, former Hockey player in Kitchener, may be pleased to learn he is playing on the Canadian Westinghouse Team, of Hamilton, and still makes the puck fly. He enjoys the sport immensely.

ZION CHURCH.

Sunday Feb. 2 was the Day of Prayer of the Women's Missionary Society of our Church, and the W.M.S. of Zion Church were fortunate in securing the services of Bishop G.H. Heilmiller, D.D., of Cleveland, Ohio, who, in his pleasing style of presentation, gave two most excellent and inspiring addresses to crowded houses.

In a most lucid and fascinating style Dr. Heilmiller expounded his morning theme on the great Commission in securing the services of Bishop G.H. Heilmiller, D.D., of Cleveland, Ohio, who, in his pleasing style of presentation, gave two most excellent and inspiring addresses to crowded houses.

The speaker continued his elucidation by making the application of Christ's charge, "Go," by saying "Go yourself," let others go, and "Make it go," pointing out that no wealth, no luxury or social position should be a barrier to people to heed this mandate of Christ.

In the evening the Bishop gave a most pleasing and helpful account of his visit to the Orient, portraying the customs, habits and peculiarities of the orientals, to the occidental mind, and referred to the noble and self-sacrificing service of woman in the mission fields of China and Japan, in a school, Kindergarten and hospital work.

The farewell offerings of the day were the most liberal yet given to the W.M.S. The doctor also gave interesting addresses at the various departments of the Sunday School. The service of the day were encouragingly sustained by the help of the choir.

SEEKS TO SET UP A CENTRAL AUTHORITY.
VLADIVOSTOCK, Dec. 11.—The allied forces in Siberia are not here as an army of occupation. Their functions are rather to co-operate in every possible way with the Government and army of Russia in restoring order in the country.

This is a point that must be seriously considered in reviewing the work being performed by allied troops in this territory. It also indicates the tremendous difficulty and extreme delicacy of the situation from the standpoint of the allied generals. On the one hand, the interference in

Russian national aims must be carefully avoided. On the other, no opportunity is to be lost of strengthening the hands of the defacto Government in its efforts to bring political and economic order out of the existing chaos. It is at once apparent that the task calls for considerable tact and repression.
