THE purchasers of the wrecked steamship, "Lake Superior," find upon thorough examination that she is in much better condition than was believed, and are trying to find parties willing to float and repair her. The engines and boilers are quite intact.

A FIRM of manufacturers of billiard tables, bowling alley fittings, etc., in Montreal, E. L. Ethier & Co., have assigned, owing about \$10,000. Mr. Ethier has had a rather checkered business record, having been before unsuccessful three times in twenty years, viz., in 1874, in 1888, and again in 1894.

THE latest addition to the Canadian Pacific rolling stock is six cafe cars, which were recently turned out from the company's shops at Hochelaga. They are a combination of first-class passenger coach and diner, and will afford patrons an opportunity to secure dining room accommodation and service at all times.

THE Granby Company, Grand Forks, which from latest reports appear to be doing a satisfactory business, are closing a contract with the Cascade Water, Power & Light Co, to supply 1,000 horse-power or more for running drills and operating hoists in the mines at Phoenix. The electrical energy required will be transmitted by a double pole line recently completed.

THE Huntingdon, Que., council has refused an application from Languedoc & Mackenzie that the corporation guarantee principal and interest on \$30,000 first mortgage 5 per cent. bonds; in return for which the firm agreed to form a match company to employ 50 or 60 hands, expending yearly \$10,000 in wages, and \$25,000 in supplies.

A BAILIFF has sold the small grocery stock of Wm. Hind, Toronto, and he is out of business.—It is just one year since the Enterprise Cigar Co. began business in Revelstoke, B.C., and in December they bought a cigar factory at Nelson, which was continued as a branch establishment. A month later they ceased to manufacture in order to unload their stock and reduce their liabilities to their banker. In doing this they do not appear to have had much success, as their assignment is already announced.

THE Stratford ratepayers have carried a by-law in favor of giving assistance to the Globe-Wernicke Co., who will build a factory for making book cases, office desks, and similar articles. The city will guarantee the company's bonds for twenty years and exempt them from general taxes for ten years, and the company bargains to erect a building at a cost of \$35,000, and to employ sixty hands the first year, and provide room for 150. The entire property will be mortgaged to the city, as a security for them carrying out their pledges.
