Conclusions of Commissioners: Canadian license and local option laws have been more successful in curtailing drinking, crime, &c., than prohibition.	492
“ “ compensation could not justly be denied in case of prohibition.	503
“ “ control of liquor traffic should be removed from partisan influences.	76
“ “ convictions should be endorsed on licenses	504
“ “ crime, insanity, &c., and use of liquor.	29, 31
“ “ depreciation of property and loss of revenue through prohibition	15, 29
“ “ Dominion register and tax for manufacturers and vendors of liquor desirable.	503-4
“ “ good cooking and domestic comfort recommended as aids against intemperance.	506
“ “ Gothenburg system, favourable results of	480
“ “ habitual drunkards should be sent, not to jail, but to places of restraint and cure.	504
“ “ high license with strict inspection and enforcement would remove evils.	505
“ “ insanity and use of liquor.	39, 43
“ “ in Scott Act counties or cities or local option municipalities a vote for continuance or not should be taken every three years	505
“ “ interference with general business of the country through prohibition.	29
“ “ legislation must be supported by majority of people.	57
“ “ less drinking and drunkenness than formerly.	72
“ “ no country, state or colony prohibits manufacture, importation and sale.	487
“ “ progress in States under prohibition not greater than in Canada	502
“ “ prohibition has nowhere stopped use of liquor	492
“ “ prohibition not a success or popular in North-west Territories. 183-4,	191
“ “ “ “ “ Iowa.	297-8
“ “ “ “ “ Kansas.	306, 308-9, 315
“ “ prohibition would depreciate property and stop employment and wages in liquor business.	494
“ “ prohibition would prejudice capital in liquor business.	494
“ “ “ “ “ seriously reduce public revenues.	497
“ “ purchasers should be held by the law equally guilty with vendors.	505
“ “ recognition of liquor traffic by license and regulation not a national sin but the rule of civilized nations.	502
“ “ repeated convictions of license should forfeit lease	505
“ “ residents should have power to oppose renewals of licenses.	505
“ “ saloons should be abolished.	504-5
“ “ Scott Act abolished as an aggressive weapon	70
“ “ Scott Act fines not always applied to enforcement of law.	506
“ “ shop licenses should be reduced and separation enforced.	505
“ “ statistics of inmates and cost of jails, asylums, &c., and of licenses with fees, should be collected and issued by the Dominion.	506
