

Directors may
make a tariff
of tolls.

III. And be it enacted, That it shall be and may be lawful for the Directors of such Company from time to time to regulate and establish a tariff of tolls to be charged on all vessels, barges, boats and other craft, and on all rafts, boards, plank, saw-logs, and other lumber passing through the works of the said Company, and such Company shall have the same powers to establish regulations, and collect the tolls hereby authorized to be imposed as are extended to Road Companies by the said first cited Act; Provided alawys, that such tariff of tolls shall be subject to alteration or approval by His Excellency the Governor General in Council, and the tolls shall not be imposed or collected without such approval first signified to the said Company.

Formation of
Companies
confirmed in
certain cases
notwithstand-
ing irregular-
ity.

IV. And be it enacted, That notwithstanding any irregularity which may have occurred in the formation or management of any Joint Stock Company for the construction or purchase of any Road or other work under the provisions of the said first recited Act, and notwithstanding all the requirements of the said Act may not have been strictly complied with, all such Companies which shall *bonâ fide* have proceeded in the construction or purchase of any Road or other work, shall be held to have been duly organized, formed and constituted under the said Act, anything to the contrary notwithstanding; Provided that nothing in this Section contained shall be construed to confirm the establishment of any such Company, when any irregularity has occurred in the formation of the same, unless such Company shall *bonâ fide* have proceeded to and continued the construction of, or shall have purchased such Road or work before the passing of this Act, and no proceeding is pending in any Court of Law or Equity in this Province to test the legality of the establishing of such Company.
