

to be carried,  
and make a  
map and book  
of reference.

and made, surveys and levels of the lands through which the said intended Canal is to be carried, together with a map or plan of such canal, and of the course and direction thereof, as finally approved by the Commissioner of Public Works, and of the said lands through which the same is to pass, and the lands intended to be taken for the several purposes authorized by this Act, so far as then ascertained, and also a book of reference for the said Canal, in which shall be set forth a description of the said several lands, and the names of the owners, occupiers and proprietors thereof, so far as they can be ascertained by the said Company, and in which shall be contained everything necessary for the right understanding of such map or plan; which said map or plan and book of reference shall be examined and certified by the person performing the duties formerly assigned to the Surveyor General, or his Deputy, who shall deposit copies thereof in the office of the Prothonotary of the Court of Queen's Bench for the District of Montreal, and also in the office of the Secretary of the Province, and shall also deliver one copy thereof to the said Company, and all persons shall have liberty to resort to such copies so to be deposited as aforesaid, and to make extracts or copies thereof as occasion shall require, paying to the said Secretary of the Province, or to the said Prothonotary, at the rate of *sixpence* current money of this Province for every hundred words; and the said triplicates of the same plan or map and book of reference so certified, or a true copy thereof, certified by the Secretary of the Province, or by the Prothonotary for the Court of Queen's Bench for the said District, shall severally be and are hereby declared to be good evidence in the Courts of Law and elsewhere in this Province.

The same to  
be examined  
and deposited.

Copies may be  
taken.

Where the  
canal shall  
cross high-  
ways.

V. Provided always, and be it enacted, That the said Company shall, at each and every place where the said Canal shall cross any highway, erect and keep good and sufficient draw-bridges to the satisfaction of the Commissioners of Public Works, and which shall be kept shut except when vessels are passing, so that the public thoroughfare may be as little impeded as possible; and shall not in making the said canal cut through or interrupt the passage on any public road until they shall have made a convenient road past their works for the use of the public; and for every day on which they shall neglect to comply with the requirements of this section, the said Company shall incur a penalty of  
currency.

What quantity  
of land shall  
be taken.

VI. And be it enacted, That the lands or grounds to be taken or used without the consent of the proprietors, for the said Canal, and the ditches, drains and fences to separate the same from the adjoining lands, shall not exceed seventy yards in breadth, except in places
