

Russell

Some day the truth will come home to you that the Russell is the greatest automobile in Canada.

When that time comes you will be satisfied *with no other car.*

The sooner that time comes the sooner your *greatest possible* satisfaction will begin.

We invite you to give any Russell model *now* the keenest inspection you ever gave to a motor car.

Judge it by comparison with the most famous cars in the world. There is no better—there cannot be. The Russell is made of the materials known to be the very best for their purpose. From start to finish it stands for the most advanced science in automobile making.

Don't decide upon your new car until you have seen the Russell and thoroughly examined it.

Russell "30" \$2,350, fully equipped is one of the season's big leaders. Standard construction, four styles of body—5-passenger touring, toy tonneau, surrey with removable rear seat, and special roadster.

Ask for a demonstration. It will be gladly given.
