

MOUNT PLEASANT (Vancouver, March 21st, 1894).—Organized by Mrs. Sexsmith in August, on Camp Ground, with five members. Mrs. (Rev.) Thompson, Pres.; Mrs. Reid, Cor. Sec.; Mrs. Dunlop, Rec. Sec.; Mrs. Herfoot, Treas. Several new members since organizing. Had one public prayer meeting, and had a nice collection. We have every reason to be thankful for the way in which the Lord has prospered us during the hard times.

Mrs. J. A. REID, *Cor. Sec.*

ST. THOMAS.—A very enjoyable At-Home was given by the Auxiliary of the First Methodist Church on Thursday, March 15th, which was very largely attended by the members of the other Missionary Societies, and also from Alma College. Mrs. F. M. Griffin gave a practical reading, and Mrs. Dickson, of London, made an earnest appeal on behalf of the women of heathen countries. The voluntary offering was very liberal.

Mrs. W. B. JENNINGS, *Cor. Sec.*

CENTRALIA.—An auxiliary of the Woman's Missionary Society was organized here on 15th March by Mrs. John Paisley at Fairfield, to meet the third Tuesday of every month at 2 o'clock. The following are the officers: President, Mrs. Elliott; 1st Vice-President, Miss Clemens; 2nd Vice-President, Mrs. Lane; Recording Secretary, Mrs. Delgaty; Corresponding Secretary, Maude Hicks; Treasurer, Mrs. Hicks; Canvasser for OUTLOOK, Mrs. Hueston. We have a membership of 13.

MAUDE HICKS, *Cor. Sec.*

MOOTE'S (Canboro' Circuit).—Our Auxiliary was organized last December by Mrs. Kitchen. Officers: President, Mrs. Jno. Ricker; Recording Secretary, Miss Barker; Treasurer, Mrs. Geo. Baldwin; Corresponding Secretary, Miss P. L. Ricker. Though young, our society is active, and now has seventeen members, including one life member. Our Society is stirring up the missionary spirit in a marked degree all over the neighborhood. We held an open meeting on March 9th, at which our Mission Bands, lately organized, assisted. A silver collection was taken for the society. Our little Mission Band is also doing great good in training the young people in missionary work. Our prospects for the future are brilliant indeed, and we feel good seed is being sown. Our worthy President is an inspiration to us all. We take six OUTLOOKS and six *Leaflets*, and sent \$33.25 to the Branch treasurer last quarter.

P. L. RICKER, *Cor. Sec.*

ATHENS.—It is some time since any report of our Auxiliary appeared in the OUTLOOK, but I am pleased I can send a very favorable report. We meet the first Thursday of every month, and our attendance is good; the interest in the work is well kept up, thanks to the suggested programmes which we follow and find so profitable and entertaining. We generally follow the roll-call, taking the names as they appear, and should any refuse to do their work they are charged a fine of five cents. At the last monthly meeting we had the presence of Mrs. Dr. A. E. Bolton with us, who gave us a very nice talk on the work being done in Port Simpson; she also had a number of curios which were shown and explained how used. Mrs. Bolton is much pleased with the work, and expects to return to Port Simpson in the fall. We gave a ten cent tea, with an evenings' programme on mission work in February, at which we raised \$10.65. We also held an Easter thank-offering for the Chen-tu Mission, at which we raised \$30, and we trust did much good to others who do not belong to our Auxiliary in showing them the need of cultivating a missionary spirit to our sisters who have not the blessed Gospel. We sent for and distributed a number of mite boxes in February, and we have eighteen subscribers to the OUTLOOK. Last week we sent in our report to Branch treasurer, and reported fifty-six paid-up members, and by the Mission Band sending in \$31.29, was able to send the amount of \$78.54 for the quarter. We feel we owe much of the success of our Auxiliary to the faithful and earnest efforts of our President, Mrs. I. C. Alguire, and our Secretary, Mrs. J. P. Lamb. We pray for the continued blessing of God on our work. To Him be all the praise.

Mrs. CRANE. C. SLACK, *Cor. Sec.*

MONTREAL (Mountain Street).—We remember another year's mercies with thankfulness, and are assured that some good has been accomplished. Our meetings have been full of interest lately; which, perhaps, is partly due to the fact that some are now taking part who did not do so before. We had quite an enthusiastic open meeting in February, which was addressed by our President, Mrs. W. E. Ross, Mrs. Dr. Williams and Mrs. Robert Ross, of Halifax. This meeting was quite an inspiration, and resulted in the addition of some new members to our Auxiliary.

Mrs. L. ROBSON, *Cor. Sec.*

OTTAWA (Dominion Church).—"The king's business requireth haste," but are we women of the W. M. S. making all the haste possible in the business we have undertaken for our heavenly King? We fear not—there are many drones in His service who do not really intend to be. The ways are many for spreading the Gospel of Christ. Let us take but one this year and double our membership. Our prayer is that God may open the eyes of each member, that she may see her individual responsibility in this work, and bring in at least one new member. Our meetings are very interesting, though not largely attended. Each month our president gives us a helpful little talk on the Scripture reading, which we thoroughly enjoy, but regret there are not more out to hear. At our March meeting, Mrs. (Dr.) Edwards gave us a very instructive address on the "Gold Cure." The last of March we held our Thank-offering meeting, at which we raised \$41.50, nearly double the amount realized last year. At our June meeting, Mrs. Walker read an excellent paper on "India," the prayer topic for the month. Our membership up to date is fifty-five, but hope to add to this before the year is out.

EMILINE THOMSON, *Cor. Sec.*
