WITH THE JOYS AND CHALLENGES

of making things work in a profitable way. CMAs are armed with the kinds of analytical and creative tools that help companies make the best decisions about their financial options.

As part of the corporate decision making team, your CMA designation will help you shape your company's response to challenge and opportunities.

As your company looks for more economic efficiencies and competitive edges, your input will not only be important, it will be vital. The new competitive environment is making new demands on the people who manage businesses. To some it's frightening. To a CMA it's about career building. It's also about

AS A CMA YOUR WORLD OF WORK WILL DEAL

with the opportunities of business building in today's economy. As a CMA you'll deal with the future.

The marketplace of the future demands a new breed of accounting professional. Senior management says it's not enough to measure the past and make corrections. That's because the new global economy is filled

THE UPS AND DOWNS

that make up experience. The kind of experience which keeps you learning and growing into opportunities. So if you are seeking the kind of career that will give you access to the exciting world
