

, 27<sup>th</sup> April 8.

Sir,

With reference to your letter of the 11<sup>th</sup> instant and the statement of the proceedings of the School Board of the Six Nations enclosed therein, I beg to inform you that in my opinion it is questionable whether it would be advisable to replace Dr. Kelly, the Public School Inspector, by the Rev. Mr. Bearfoot, as proposed by the Board. The latter is an Indian as you are well aware
