*Greetings from H.R.H. the Duke of Connaught*

It was my privilege to send to H.R.H. the Duke of Connaught a telegram of greeting from this gathering. I am honoured by the following reply:—

I am most grateful for your kind message which has deeply touched me. Please convey to Mr. Mackenzie King, Mr. Winston Churchill and the representatives of Canada my warm appreciation of their good wishes. Although many years have elapsed, I still remember with every pleasure the kindness and ready help received from all Canadians during my term as Governor General.

It gives me the greatest pleasure now to be able to join in the welcome you are giving to Mr. Mackenzie King in the full knowledge that the bonds of understanding and friendship between Canada and Great Britain are being drawn ever tighter in our united efforts for victory and peace. I hope Mr. Mackenzie King will carry back to Canada our warmest appreciation of the wonderful help the Dominion has been, and is giving us.

(Signed) ARTHUR.

I give you the toast of our honoured guest, the Prime Minister of Canada, Mr. Mackenzie King.
