Dear Sir:

Having been sentenced to 18 months in this institution I beg to ask you for remission on my sentence. I have been here ever since Feb 8th, 1944, and this place is certainly getting the best of me. I wish to get out so I can go to work and settle down. Would appreciate anything that you could do to help me obtain remission.

Yours sincerely,

(sgd) A-116172 C.J. Harvey
