Pros in closing: none

Def offr in closing: Problems on FP for 17 days, working hard
in case day entering until 11:45 & told that did not have
to work until 1:30. Then at 1:30 a Sgt came along
to start claim & flew off gun only 3 mins to prepare
to start claim - no refusal to obey order

J. A. sums up: Functions of court, credibility of
witnesses, no. required, presumption of
innocence, burden of proof, reasonable doubt,

Def offr in mitigation:

Point out, young - conduct sheet good.
Consider circumstances of the case, order & counter-
order by junior in rank - reasonable to get
angry
