

ARTICLE XIX.

Vessels at anchor to display lights. All vessels lying at anchor in the harbor or roadstead shall keep a clear and bright light burning, at a height of at least six feet from the spar deck, from sunset to sunrise of each day.

ARTICLE XX.

Provision against letting ballast or cargo fall into the harbor. All vessels loading or discharging in the stream, coals, ballast, and such like material, shall have a sufficient piece of canvass or tarpaulin so placed as to prevent any portion thereof from falling into the harbor.

ARTICLE XXI.

Vessels to discharge ballast where assigned. All vessels shall discharge ballast at the place, places, pier, or wharves set apart or designated by the Harbor Master, and no ballast stone, gravel, earth or rubbish of any kind shall be unladen, discharged, deposited, thrown or laden before sunrise or after sunset.

ARTICLE XXII.

Ballast, rubbish &c., not to be thrown into harbor or docks, within certain limits. No ballast, stones, dirt, filth or rubbish of any kind shall be unladen or emptied out of vessels or thrown into any of the docks between the wharves or into the harbor, or from any ship or vessel whatsoever into the roadstead of the harbor, within a linedrawn from Cranberry Head to Low Point Light House in the said county of Cape Breton.

ARTICLE XXIII.

Landing of gunpowder; how regulated. No gunpowder shall be landed until there be on the wharf a suitable vehicle in readiness at the place to convey it away promptly, and such powder shall be passed from the ship or vessel containing it directly into the vehicle prepared for its reception, and no greater quantity shall be landed than what is sufficient to load such vehicle once, until the quantity placed therein shall be taken away, and such vehicle shall depart within five minutes from the time of having received the quantity of powder intended for it at that time.

ARTICLE XXIV.

Landing and carrying of gunpowder by boats. No gunpowder shall be conveyed to or from any vessel in an open boat unless it be completely covered over with tarpaulin or other suitable covering, and no person on board such boat or boats shall strike a light, smoke a pipe, kindle a fire in any manner, nor shall permit fire to be passed on board or used therein for any purpose whatever.

ARTICLE XXV.

Powers of Commissioners and Harbor Master over. During the prevalence of any epidemic, or when their shall be cause to apprehend the spread of any infectious or contagious disease, the Harbor Master shall have power to designate and set apart some
