CAMPBELL FOR THE CABINET

Toronto, Feb. 7.-It is not improbable, your correspondent learns, that Mr. Archibald Campbell, M. P. for County York, and formerly M. P. for West Kent, will be taken into the Dominion Cabinet at an early date. He recently refused the offer of the speakersh p of the House of Commons.—St. Thomas Journal.

NEW MINISTER

It is quite likely that the Rev. J. W. Hodgins, of Seaturth, will be the new Rector of Holy Trinity Church. The Advisory Board and other members of the church met the Rev. Mr. Hodgins in the office of the Canada Flour Mills Company and offered him the rectorship. He didn't give a definite answer, but after he lays the matter before his congregation at Seaforth he will reply to the offer. The Y. Mr. Hodgins is a broadminden man and those who met him were very favorably impressed with him. He officiated in Christ Church It is quite likely that the Rev. J.

mindeu man and those who met him were very favorably impressed with him. He officiated in Christ Church one Sunday, three years ago. He takes an interest in all healthy outdoor sports, is a bowler and a curller.

The following were present at the meeting: Messus Wm. Ball, N. H. Stevens, Mr. Shannon, W. J. Moore, Edwin Bell, C. D. Williamson, W. R. Baxter, C. E. Beseton, P. S. Coate, H. J. Stevens and ex-Ald. Thomas Scullard.

THE LIDENSE QUESTION

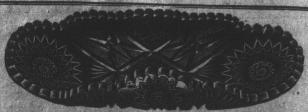

Archie Park, Alister McKay and Jack Park were discussing the license muestion this morning. I don't think those petitioners had the right idea about those licenses," remarked Archie. There is no doubt that there are some hotels that should be cut off and Power there was a superior of the standard of the second power than the sec there are some hotels that should be cut off and I'd cut them off if I wanted to and the work would be done effective'y. The solution is simple enough. Put up the price by licenses. Put it up out of reach if necessary. That would be a decidedly effective way."

John Park thought that the aldermen should have acceded to the petition and cut off the number of licenses.

tion and cut off the number of licenses.

"At Waycross, down in Georgia," began Mr. McKsy in his quiet slow Scotch way, "they have the license fee fixed at \$30,000. Needless to say, there isn't an hotel in the town. Each succeeding Council fixes the license at \$30,000 and there is nothing doing. There isn't a pauper in the town and it is one of the most prosperous and hawabiding places in the South. Mr. Park's suggestion would work all right if it were only carried out thoroughly enough,"

"I think the Council did right in refusing to touch the matter," added Archie Park. "The matter should be deaft with otherwise and a high license fee is the remedy."

OYSTER SUPPER

A very successful oyster supper was given in St. Joseph's Hall last even-Church.

The affair was a far bigger success than was expected, fully 600 people being served. The dining hall was crowded from half-past five o'clock to nine. Pedro was enjoyed after the supper. The ladies who had the management of the supper in charge were Mrs. Tschirhart, Mrs. Peter Dezelia, Mrs. B. Blonde and Miss Martin.

BOARD A meeting of the Separate School Board was held Monday evening with the following members present: -

Messrs, Chairman Stevens, F. Tschirhart, Robert, Trudell, Blonde, Doyle, Drew, Welsh and Pinsonneault. Drew, Welsh and Finsonneaut.

It was decided to fit up with seats one of the junior rooms of the school, as the attendance is becoming too large for the accommodation. This was the only important business transacted by the Board.
