

IV.

APRIL hath XXX Days.

1794.

INVOCATION TO SPRING.

RETURN, ye verdant scenes, to
soothe the eye,

Wearied of winter-snows and
ruffet fields:

Return, ye fragrant flowers of
mazy a dye,

And that mild air, which soft
refreshment yields!

Return, ye feather'd choristers,
to charm

With cheerful melody the
longing ear,

Late fill'd by howling tempests
with alarm

For sea-beat mariners, and
shipwrecks near.

First Quarter, 7th Day, 1h. 7m. Morning.

Full Moon, 15th Day 5h. 52m. Morning.

Last Quarter, 22d Day, 8h. 34m. Afternoon.

New Moon, 29th Day, 11h. 45m. Morning.
