

PUTTNER'S EMULSION
—OF—
COD LIVER OIL, &c.,

Is recommended by many of the Physicians of the Dominion of Canada and the United States, by almost every Druggist, and by many Clergymen, Lawyers Teachers, and persons in every calling and class of life, all testifying to benefits received from the use of this very particular medicine.

PUTTNER'S EMULSION

is not a secret medicine, but is composed of **Cod Liver Oil**, assisted in its action by **Pancreatine** and the **Hypophosphites of Lime and Soda**, combined in such a manner as to be acceptable to the stomach and easily digested.

The curative effects of **Cod Liver Oil** have been so thoroughly established that no one can be found to dispute

ITS HEALING PROPERTIES

—IN CASES OF—

Consumption, Asthma, Bronchitis, Rickets, Anæmia, Scrofulous and Wasting Diseases, Mental and Nervous Prostration and all Diseases from Impoverished Blood and a Weak State of the Body.

The greatest drawback to **Cod Liver Oil** in its pure state is its very disagreeable taste; this has been entirely overcome in the composition of **Puttner's Emulsion**, which can be taken and retained by the most delicate Stomach.

PUTTNER'S EMULSION

is also more effective than the pure oil, the globules of oil being so minutely divided, and being very materially assisted in its action by the addition of **Pancreatine** and **Hypophosphites**.

The Puttner Emulsion Company of Halifax,

have a large number of testimonials from persons who have used **Puttner's Emulsion**, and they have printed a few in pamphlet form, together with an essay on the several medicines used in its combination. This will be sent free to any person who will send for it.
