"I have personally inspected these cattle and you will find them not only 'Bred' right but the females in milk, good square cows with splendid udders. They LOOK right." G. A. Brethen, Sales Mgr.

As I am giving up farming these cattle must be all sold, together with Horses, Haross, Waggons, etc. These cattle represent the best foundation cows I could buy and their progeny from extra high-class bulls. The catalogue will tell you more of these good cows and their breeding. You are cordially invited to send for one and to attend my sale on March 18th.

BY PUBLIC AUCTION

TUESDAY, MARCH 24, 1914

The breeding of this stock will recommend them to every progressive dairyman. The mature cows have proved themselves producers of the right kind.

All of the young stuff practically are by Sir Lyons Hengerveld Segis, who is out of Blanche Lyons De Kol-33.31 lbs. in 7 days. His sire is King Segis, who has a 26 lb. 2-yearold. Four 3-year-olds from 26 to 31 lbs., and a 31 lb. 4-yearold; 10 daughters that average 28.29 lbs. in 7 days, and 65 other tested daughters. Such breeding and performance is seldom combined in one animal.

If you need a Herd Sire, Mature Cows or Young Females get a catalogue and attend this sale.

The grant referred to in your enquiry was, we presume, made under the Act respecting colonization coads, which has been in force since 1906, and which was revised during the last session. the last session. This Act provides that grants may be made by the Government to aid in the construction or repair of colonization roads, or roads required to give access through unoccupied or sparsely occupied districts, or through districts unfit for cultivation or settlement. or such other roads as the Legislature, upon the recommendation of the Minister of Public Works, deems necessary for the proper settlement and develop-ment of such districts.

To take advantage of this Act the council of the municipality prepares a by-law in accordance with a form furnished by the Government designation. nating the roads to be improved and the amount to be expended therefor.

The by-law is submitted to the Minister of Public Works, and, if approved, a sum not less than one-third proved, a sum not less than one-third or more than two-thirds of the esti-mated cost of the work may be paid to the municipality by the Govern-ment. The work must be carried on under the supervision of an inspector. approved of by the Minister of Public Works, and the work must conform to the prescribed regulations of the

Public Works Department. the completion of the work a return under oath must be made, and if the under oath must be made, and if the report is satisfactory a cheque for the Government portion is paid over to the municipality. All such by-laws must be submitted to the Department of Public Works, not later than 10 days after the commencement of the session, at which the money is to worked. be voted

The above Act was passed by the present Provincial Government, but the administration of it is non-parti-san and non-political. The question san and non-pointical. The quession whether the municipality seeking aid or the council thereof is Liberal or Conservative politically is not taken Conservative politically is not taken into consideration. To give specific instances the Townships of Ennismore, Harvey, Galway and Douro, in this county of Peterboro, each gave this county of Peterboro, each gave large Liberal majorities at the last local election in December, 1911, but, nevertheless, these townships have since received substantial aid for the construction and repair of roads un-der the provisions of this Act. Up to the present time the Govern-ment has not rendered aid for the construction or repair of roads in the construction or repair of roads in the well settled and older portions of the province, but during the last session the Premier of Ontario, announced.

the Premier of Ontario announced his intention of introducing at the next session a measure for furnishing such aid, and a commission appointed such aid, and a commission appointed by the Government is preparing a re-port on this subject, which it is ex-pected will be presented to the Legis-lature at an early date.
