Your Roofing Needs

A GOOD ROOF should be Durable, Fire-proof, Water-tight, Sanitary, Handsome and not too expensive.

All of these requirements are ably met by GALT STEEL SHINGLES. A "GALT" roof will last from twice to three times as long as a roof of sawn and kiln dried shingles. It affords protection from flying sparks and lightning. It will not warp, split, curl or loosen. It offers no lodging place for decaying vegetable matter. The bold, Gothic design of the GALT STEEL SHINGLES is handsome and architecturally correct.

Write for literature and valuable information which will settle the roofing question for you. Simply write the word "Roofing" on a postcard, together with your name and address.
