A Phenomenal Record

AS a tree is known by its fruit, so also is a life company known by its actual results to policyholders. In this respect

has few, if any, equals; the "actual results" realized under its policies have never been excelled by any Canadian Company.

This may be accounted for by the fact (1) That as this Company has no stockholders to absorb a part of its earnings, all its surplus belongs to and is equitably distributed among its policyholders; (2) It has the lowest expense ratio to income of any Canadian Company, notwithstanding that its net business in force in Canada during the past ten years has increased more rapidly than the Canadian business of any other native Company; (3) That its death losses have been, for many years, only about one-half of the amount "expected" and provided for, thus showing the excellently fine quality of the Company's business, and (4) That in 37 years, during which the Company has been in operation, "not one dollar received from its policyholders has been lost out of the millions invested for their security"—a phenomenal record.
