the room, a pair of slippers, marked with spots of blood ; also, a small saw, with a blood stain.

182

On Saturlay afternoon Col. Pratt summoned the jury of inquest. At 4 o'clock they proceeded to the college, examined the remains, and the contents of the furnace, and then passed them into the hands of Drs. Winslow Lewis, Martin Gay and J. B. S. Thatcher, for such further examination as can be made of them. The doctors found fragments of calcined bones from each of the missing parts of the body. There was some-thing like the appearance of a wide stab on the

left side of the trunk.

transactions and in loaning money on mortgages. this relation, sprung disputes between them.

Some of Dr. Parkman's friends, assuming that Dr. Webster killed Dr. P., suppose that an angry altercation occurred at the interview on Friday, and that Dr. Parkman, who occasionally used very blunt language, said something which so exasperated Dr. Webster that the latter suddealy dealt him a mortal blow with some implement at hand, and then, to conceal the rash and the body which have been described above.-Zion's Herald of the 5th inst.

Yesterday afternoon, the family of Dr. Park-valued at £730 sterling. We trust the specman visited the College, and, after examining ulation will prove profitable, and lead to a man visited the College, and, after examining visition will prove profitable, and lead to a of their "unrivalled rivers, lakes and canals land on Sonday night, the crew succeeded in bound will prove profitable for the fertile land on function of their "unrivalled rivers, lakes and canals land on Sonday night, the crew succeeded in Dr. P. Orders were then given by them to Mr

H. Merrill, undertaker, to procure a leaden cof. fin, in which the body is to be deposited, in

spirits. The grounds upon which the family have identified the mutilated body, as that of Dr. Parkman, are not made public .- Traveller, Dec. 4.

#### A Romantic Conversion.

An interesting religious service took place in Maxwelltown Free Church, on Sunday evening last. Mr. Clarke, pastor of the con-BOTSFORD. - 16. gregation, was assisted by the Rev. Julius Wood. After prayer and praise the baptism ceremonial of a Jowish maiden followed, named Rebecca Pergeenstein, till recent-

ly, if not a native, an inhabitant of Constantinople, where her family reside. The Church was so densely crowded that numbers were forced to leave its doors. Nor is this all ; for the story further runs that the lady, after proclamation of banns, was married last night to the respectable and learnried last night to the respectable and learn-ed gentleman with whom she travelled from we have heard," says the Colorist, "is a
