THE GREAT SHOSHONEES REMEDY-Is an Indiam vegetable compound, composed of the juices of a variety of remarkable medicinal plants and herbs; the various properties of these different ingredients, when combined, is so constituted as to act simultaneously upon the Blood, Lungs, Liver, Kidneys, Digestive Organs, Nervous System, &c., restoring their functions to healthy action, and, being purely vegetable, is as harmless as Nature's own beverage. This medicine is a decided benefit in all, and a permanent cure in a large majority of diseases of the blood, such as Scrofula, Erysipelas, Salt Rheum, Canker, Pimples, &c. In prescribing this medicine we do not claim that it always performs cures; but this we do say, that it purifies and enriches the blood, permanenty curing a large majority of diseases arising from its impurities. It stands far ahead and unequalled among the hundereds of competingd medicines of the day. It has stood the test of ten years, and is to-day more popular than ever, As a summer restorative it stands unrivalled; it enables the system to bear up against the constant drain to which it is subjected by a high temperature. Persons who are subject to bilious Colic, Dysentery, Indigestion, &c., should take the "Shoshonees Remedy." Price of the Remedy in pint bottles \$1 Pills 15 cents e box. aug 15. Chan. 2 mos.
