Spring, 1895

John Kay, Son & Co. TORONTO.

The New Spring Goods are here. Compared with former seasons, and no stronger comparison could be made, the house has certainly surpassed itself, and more than held its acknowledged position of leadership in House-furnishings. This may be explained, perhaps, in the great change in colorings, from the light, insipid shades to the darker, richer and more durable colorings. The fact remains, and the new goods will win favor with all.

The firm have added to their Drapery Department by giving that portion where Rugs were kept, thus increasing the light, and enabling them to make a worthy exhibit of their Liberty Department—Cretonnes, Silks, Muslins, etc.

In Carpets let attention be directed to the largest assortment of Wiltons and Axminsters the firm have ever imported in one season. Many prices, but only goods that can be recommended. The assortment is attractive in small, Indian and geometrical designs, suitable for halls and rooms. Also some noble designs in larger figures in the new Empire greens and rose tints. A line at \$1.50 net, regular price much higher.

MECCA BRUSSELS.—This make has been manufactured expressly for the firm, and is the heaviest Brussels that has ever come into the country. It weighs 2 lbs. 6 ounces to the yard and is woven 12 wires to the inch. The yarn is of the finest quality and will make an endless wear for places that have hard usage, such as halls, dining rooms, offices, etc

JAPANESE RUGS

RUGS—The Rug Department is downstairs, giving more room. With the demand for Carpet Squares on the increase, the season's purchases have been made larger than usual. Fine Persian, Turkish and Indian, sizes 6.0x9.0 to 12x15 ft. Axminster Parquet Squares, and inexpensive but durable Velvets in same sizes.
