

Neolin Soles

For the days when it's wet under foot there's great comfort in Neolin Soles.

Of course, you buy Neolin for the extra wear—that's sound business sense. But think of the extra value you get because of the comfort of Neolin.

Neolin Soles bend as you walk. They grip—making you sure-footed. There's no slip, no wearing shiny and smooth on the grass—and no chance of water soaking through.

With Fall coming on—wet grass and muddy yards—its worth a lot to go about with dry feet.

You can have Neolin Soles on work boots and Sunday shoes, on shoes for men, women and children. They come on new boots or they can be put on old ones. Neolin is also supplied in half-soles.

Ask your dealer for Neolin Soles. But see that you get the real thing—the name "Neolin" is plainly stamped on every pair.
