### MR. BINYON'S WAR POEMS

THE WINNOWING-FAN: POEMS OF THE GREAT WAR. By Lawrence Binyon London: Elkin Mathews. 1s. MONG the benefits which the futur will be able to set off against a vast calamity one, possibly, will be a ned and more manful poetry the war. Six months ago there was plenty exaltation. It may seem strange, at the

than Great Britain was producing before of poetry, but not much of it seemed the fruit of profound emotion and passionate spirits should be finely touched and to fine issues; yet it has proved true of war in the past, and may prove true in the

the war appears to have already had an ors of pickled fish and fish canneries. enriching effect. He has always shown a MR. HAZEN: The administration passion and so large an utterance as in extra salaries. these twelve poems on various aspects of the war. Invective was not in Mr. better to appoint competent men and pay trawlers by the present Government. Rinvon's poetical field: now he can write them? thus of those who burned Louvain: Abortions of their blind hyena-creed,

Against the unarmed of them-they had made Whose hearts they had tortured to the uttern Without a cause, past pardon, fired and tore And butchered the defenceless in the door,

But History shall hang them high, to rot Unburied in the face of times unborn

reveal to us, and, in revealing, create. He that is proud of his country will be prouder yet after reading:

The cares we hugged drop out of vision Our hearts with deeper thoughts di We step from days of sour division

For us the glorious dead have striven They battled that we might be free. We to their living cause are given : We arm for men that are to be.

Among the nations nobliest chartered, England recalls her heritage. In her is that which is not bartered, Which force can neither quell nor cage

We are proud of the women of Great Britain, of the wives and mothers of all who are fighting, or have fought, on either side: in his poem, "To Women," We are proud of our soldiers, says: and we call them "wonderful" or "splendid"; in a poem that is technically as eresting as it is fine in spirit Mr. our own pride: .

Age shall not weary them, nor the years condemn,

They mingle not with their laughing comradagain; They sit no more at familiar tables of home; They have no lot in our labour of the day-time:

Felt as a well-spring that is hidden from sight,

known As the stars are known to the Night; As the sters that shall be bright when we are

Moving in marches upon the heavenly plain, To the end, to the end, they remain.

seers whose privilege it is to look above high in the hearts of men the faith that is

And in our mouths a tougue. We will bear wrongs untold but will not only bear; Not only bear, but build through striving years

That life shall be indeed Life, not permitted breath Of spirits wrenched and forced to others' need.

idering, blundering on its course To death and rue,

the poets must prevail in the end. It seems to us that Mr. Binyon has summed up their whole message in a single stanza Endure, O Earth! and thou awaken, Purged by this dreadful winnowing fan, O wronged, untameable, unshaken Soul of divinely suffering man.

-The Times Literary Supplement

## WHAT CONSTITUTES A STATE?

Sir,-In the notice of Mr. Courtney's Armageddon—and After in the last Spectator the reviewer replies to Mr. CourtMr. HAZEN: No one has tried before ney's question, "What constitutes the greatness of a State?" by asking: "Was Mp Maclean I think the answer long ago that it was men-sound, this book and credit it to the Departmen strong, brave, sane, noble men—who
make a worthy State?" I do not know
what passage of Bishop Berkeley's is thus
crediting it to the r rather doubtingly referred to—perhaps it may be found in his Maxims Concerning in any case I think I may claim priority for Thucydides! Who does not restate the fisheries branch. ber how, in the disastrous retreat of Athenians after the failure of their tack upon Syracuse, Thucydides makes cias endeavour to hearten up his army by the memorable speech ending: "If you now get clear of your enemies... such of you as are Athenians will live to renovate the great power of our city, fallen

1. Have the provisions of chapter 14th the Act of 1913 been enforced as against foreign trawlers who make Canadian ports a base for their fishing operations?

2. If not, why not? ough it now be. It is not walls nor though it now be. It is not wais nor ships that make a city—it is men" (VII, 77). I can recollect attending lectures upon Thucydides by Professor Henry Malden at University College, London (some sixty-eight years ago), and when he came to this passage he read us, with an enthusiasm I shall never forget, the Minard's Liniment Relieves Neuralgia.

ell-known Ode by Sir William Jones, which is founded upon it :-

"What constitutes a State? gh-raised battlement or labou Thick wall or moated gate; Not bays and broad armed ports, laughing at the storm, rich navies ride; Not starred and spangled Courts,

No : men, high-minded men

These constitute a State." This is indeed the locus classicus in English literature which replies to Mr. Courtney's question, "What constitutes the greatness of a State?" I cannot claim priority for it over what Bishop Berkeley may have written. but for Thucydides I do.-I am, W.T. MALLESON. Sir. &c., Great Tew, Oxon. - The Spectator, Feb. 6.
