

MAYOR APPOINTED FUEL CONTROLLER PRO TEM

Continued from page one

The Board of Works proposed to confine the fuel to the following main thoroughfares:

King street, from Wellington street to Darling street.

Wellington street, from West street to King street.

Albion street, from McMurray street to Lawrence street.

St. Paul avenue and Terrace Hill street to hospital.

West street, from King street to Clarence street.

Clarence street, from Murray street to Elgin street.

Murray street, from Elgin street to Park avenue.

Park avenue, from Murray street to Mary street.

Greenwich street, from Alfred street to Cayuga street.

Mohawk street, from Cayuga street to West Mohawk.

Oxford street, from Lorne bridge to Burford street.

Mayor Kelly appointed Mr. C. M. J. Kelly as fuel controller pro tem.

The total length is about 32,000 feet, requiring about 32,000 gallons of oil which, at 15 cents per gallon, would cost \$4,800. Owing to the price of oil having more than doubled since the rate was fixed at 8 cents per foot frontage, it will be necessary to make the rate 15 cents. If any other streets are to be added (providing oil is obtainable) it will only be on a properly signed petition.

The Board of Works reported as follows:

1. That in connection with the laying out of the streets, curbs and walks on the west side of the street, opposite the Bell Memorial, the roadway joining West street and Albion street, following the outer line of the sidewalk parallel to the Grace Church property line as shown on the original plan of Dunnington-Grubb rather than the plan of May 15th, 1916, approved by the Council of that date. The adoption of this change is recommended by the City Engineer and was approved at a meeting of representatives of Grace Church and the Parks Board.

2. That the city engineer be authorized to advertise the following local improvements under the two-thirds clause:

Storm sewer on St. Paul avenue, from Holmes street to Read street.

Storm sewer on Read street, from St. Paul avenue to Leonard street.

Concrete walk on the east side of Morris street, from Wilkes street to Burwell street.

3. On account of crude oil being required for the patriotic purpose of manufacturing munitions it is advisable to use as little road oil as possible.

"We must protect the citizens' rights," insisted Ald. Kelly. "It is not at all satisfied with this proposition," declared Mayor McEwen.

Ald. Hill declared that the curb could be put back at least ten feet. He promised to take up the matter with the select board of Grace Church.

The report passed with the deletion of the first clause.

Truck for Lifeboat.

The Committee on Fire and Light recommended that the tender of J. H. Minshall to furnish motor truck for lifeboat propelled by a McLaughlin-Buick six-cylinder 46-horsepower motor, and guaranteed to the satisfaction of the committee, for the sum of \$1,500, be accepted. This was carried.

New Motor Ambulance.

The ambulance committee recommended acceptance of the tender of the Brant Motor Company to supply a motor ambulance at a cost of \$2,000, be accepted. The conveyance will be stationed at the fire hall. The report was adopted, and the purchase was authorized by a by-law passed later in the afternoon.

Palestine Restoration.

Rabbi Berger, of Hamilton, addressed the council at this juncture in the interests of the Palestine Relief Fund, for which the Hebrew Zionists of Brantford are planning to raise \$2,000. The opening of commerce and industry, the establishment of Hebrew institutions of education, in Palestine, would require strong financial support, and a world wide appeal was being made. Zionism was the principle which united Jews and non-Jews.

"The Jewish people of the City of Brantford are good citizens," observed the Mayor.

The beauty lotion which is becoming so popular throughout the country is easily prepared by anyone, and a whole quart jar of it doesn't cost any more than a small jar of the common, ordinary cold cream.

Add the juice of two fresh lemons to three ounces of orchard white and shake well in a bottle. Strain the lemon juice two or three times through a fine cloth so no pulp gets into the lotion, then it will keep fresh for months. "Regardless of what price you pay or how highly advertised, there is nothing else really more meritorious in beautifying, softening and clearing the skin. As a face and skin remover, also, it removes oiliness and sallowness. Lemon juice has no rival. Massage it into the face, neck and arms once or twice each day, and just see if it doesn't bring out the roses and hidden beauties."

Lemons have always been used to bleach the skin, but pure lemon juice is too highly acid, therefore should never be used except in this manner.

If properly prepared, this sweetly fragrant lotion will speak for itself. Any drug-store will supply the three ounces of orchard white at very little cost, and the grocer will supply the lemons.

Had a Notable Evening at the Y.M.C.A. Over a Thousand Taking Part.

Last night was the Western Industrial Group Night at the local Y. M. C. A., upwards of a thousand persons were present. This was a fitting wind up for the Factory lights and easily surpassed any of the previous ones both in numbers and interest.

The gymnasium was crowded to capacity and the cheering of the different teams supported by Slingsby threatened to rattle the roof. It was a great night and will long be remembered by the people who were fortunate enough to be present.

The first event was a basketball game between Slingsby's and Watson's. The final result was two goals to one in favor of Watson's. This result was strenuously protested by Slingsby who claimed that one shot which was given as a goal never went. On the whole Slingsby, who were the heavier team played the better game but were weak on shooting.

The next event was a game of indoor baseball between teams from Dominion Steel Products and Steel Company of Canada. The result was eight to two in favor of Steel Company of Canada. The Dominion Steel objected to the Whittaker brothers playing for the Steel Company, they are being employed there.

The tug-of-war was next. The team from Mathews Blackwell, Steel Company of Canada and Cordage were successful in defeating two bright pulls from Dominion Steel Products, Slingsby's and Watson's. In the Ladies' tug of war Slingsby's defeated Watson's.

The next event was Hurtle Ball for Ladies Slingsby won two and the Cordage Co. won one. The Pick-a-back Relay the Dominion Steel were the easy winners.

The way the Slingsby girls could run was revelation and they thoroughly deserved the ovation which they received. Hurtle ball for men was next the Cordage Co. being winners.

The last number on the gymnasium program was a baseball game between ladies from Slingsby's and the cordage. Slingsby's were the winners by 14 runs to 4. As a fun prize this game came easily first on the whole of the evening's program. Some of the girls showing a wonderful knowledge of baseball as the gymnasium program was in charge of Physical Director, George Morley, who put the usual amount of pep in his work. Mr. Jack Pollock Physical Director, Ont. School for the Blind very ably assisted during the gymnasium program.

In the Ladies' Bowling, Slingsby's defeated Watson's 48-33. In the men's bowling tournament the Dominion Steel Product won from Slingsby's. Steel Company of Canada defeated Mathews Blackwell.

In the Pocket Billiards, Slingsby's defeated Watson's, Mathews Blackwell won from the Dominion Steel Co.

The musical program which took place in the lobby was excellent and musical Conductor, Morley Hill is to be congratulated on this part of the evening's enjoyment.

The following Ladies and gentlemen took part:—Mr. W. Harris, piano solo; Miss Grace Powell, vocal solo; Miss Edith Sipple and Mrs. Cutmore, vocal duet; Mr. Will Darwen, violin solo; Mrs. J. McWebb, vocal solo; Miss Eva Downes, piano solo; at this stage of the program Mr. J. H. Vary expressed the appreciation of the good time provided by the "Y" and three hearty cheers were given.

The National Anthem was then sung and the gathering dispersed.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder Bothers You.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get slingsby; dog and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any drug pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

ADAMS BLACK JACK

Chewing gum and cigarettes are two comforts no soldier or sailor should be deprived of. Send both in generous quantities, and when you send gum you can make no mistake in choosing Adams Black Jack, for a stick a day keeps "nerves" away. Every time you buy it for yourself, buy it for a soldier.

ADAMS

Pure Chewing Gum

REAL ESTATE TRANSFERS

Business sales opening up well for the spring season. The following transactions were put through by S. G. Read and Son, during the month of March:

Residence No. 10 Winnett Street to Mr. A. E. Oates.

No. 172 Albion St. to T. D. Crandell.

No. 92 Stanley St. to Mr. A. Young.

No. 149 Elgin St. to Mr. S. Snider.

No. 5 Brunswick St. to Mr. Daniel Kitchin.

No. 1, No. 3, and No. 5 Darling St. to Kitchin Overall Co.

No. 52 Edward St. to Mrs. L. Ankers.

22 Ada Ave. to Mr. McEwen.

Residence 27 Arthur St. to Mr. J. Symons.

Residence No. 136 Sydenham St. to Mr. Scruton.

A large number of other properties are being closed out by agreement purchases.

Property of all kinds for sale, splendidly situated in Brant, Haldimand and other counties. If interested kindly call at the agency of S. G. Read and Son, 129 Colborne Street.

Our next auction sale of Real Estate will be held on Saturday at 2 o'clock, April 13, at our rooms. Part lot No. 5, second range on Mt. Pleasant road, township of Brantford. Farm containing about 100 acres more or less, good place, good frame house, good barn, orchard, well, etc.

Sale No. 2 on Tuesday, 16th April, in the evening at 8 o'clock at our rooms. House and premises on 337 Brock Street. A very large lot, better descriptions given of these properties in the advertisements of sale.
