Miss Edith Reid and Miss Evelyn Noy of Acadia Seminary spent the week end in town guests of Miss Lois A. Porter.

If you like good band music come to Kentville on Horse Show Day, Tuesday April 22nd, and hear the Berwick Band. The big street parade headed by this band and followed by the finest horses in the valley, will be a sight worth seeing.

Mr. Watson Bishop, Supl. of streets and water works, Dartmouth, spent a short time in town last week visiting his friends here, while here he was consulted by many on the idea of permanent street construction. Mr. Bishop thinks Kentville should make a start at once in this, and the work could be done with out costing a large sum of money. Dartmouth is placing permanent streets and paying for same out of ordinary revenue. Mr. Bishop has been at Bridgewater and Bridgetown of late, looking over street construction in those places. In company with Couns. Feindel, of Bridgewater, and found there a large quantity of their crushed rocks which were a waste product, being too low grade an ore to ship out. Mr. Bishop thinks this rock a superior article for street construction, and it could be placed in any of the near by towns at a cheaper rate than ordinary stone and is already crushed.
