GRACE K. BETCONE

Canadian and American Relatives are at Law Over Her Guardianship.

Detroit, Sept. 21.—Is Grace Kathleen Betsone, whose guardianship is being considered by both American and Canadian courts, in the United States or is she across the river? Mrs. James W. Abrahams, of 606 Wabash avenue, who was appointed guardian by Judge Rohnert, says that when she allowed the child to go with her uncles, she understood that she was to be taken across the river for a visit to a blind grandmother living near Bothwell in Kent County. The girl was to be returned in a week, but when, after waiting a fortnight, Mrs. Abrahams went after her, the relatives claimed that they were about to be made guardians by the Canadian High Court of Justice. Mrs. Abrahams has been awaiting the decision in the case, confident that she will again be given the guardianship, as she is already in charge of the estate belonging to the child. Last Monday, William Irwin, of Bothwell, one of the uncles, appeared at Mrs. Abrahams' door and asked for the child. The woman has not seen her ward, but says that, later, her son, Alexander, saw Irwin and Grace go into the Hotel Cadillac. Deputy Sheriff Trollope would not act without a court order, and Mrs. Abrahams fears that the two have returned to Canada.

Last Thursday a motion asking that the letters of guardianship granted to Mrs. Green be annulled, was to have been heard by Judge Bell, but W. E. Gundy, who opposed the motion, asked security for costs and the motion was enlarged to give Mrs. Abrahams, of Detroit, an opportunity to furnish the security. The case has been attracting considerable attention here. The little girl is heir to \$1,000 cash and a small property in Detroit.

VISITING YACHT

The steam yacht Cynthia with Commodore M. B. Mills aboard is making her regular fall visit to the Maple City and to Maple City friends. Mr. and Mrs. Mills and Mr. and Mrs. Geo. Ferguson are of the party. They have been doing a little shooting and fishing around Lake St. Clair and got quite a bunch of canvas backs yesterday.

The yacht Cynthia is being viewed by many citizens to-day. It is a beautiful one and cost in the neighborhood of \$75,000.

"It is the first to come in the spring and the last in the fall," says Count Eberts, whose guests the party were to-day.

TOURING THE WEST

Frank M. Bechard, who is on a trip through the Canadian Northwest, writes The Planet from Brandon. He says: "Arrived in Brandon Saturday night and ever since I've been on the go with a more with old Chatham friends. Lester Heath, Stanley Ball and B. D. Wallace are here. I was out in the country yesterday afternoon with Lester Heath to see the sights and I am certainly in love with the country. We also visited the Experimental Farm, where you can see everything growing in grain and vegetables. It was fine. Lester Heath is prospering. He is the manager of the largest music store in Brandon and all the girls love him. This afternoon he and I and two handsome Brandon young ladies are all going out shooting prairie chickens. To-morrow I will leave for Calgary and Edmonton."

LOCATES IN THE WEST

E. J. Peltier, formerly of the Urban store, has purchased the wholesale liquor business of R. E. Trumbull, Brandon. Mr. Peltier went west a week ago for the purpose of buying this business, and the deal has been closed. The Brandon Sun says of the Maple City man:—

Mr. Peltier has been in the wine and liquor business at Chatham, Ont., for a number of years and was one of the most progressive citizens of that prosperous city. He is also interested in wholesale liquor establishments of Fernie and Cranbrook, B. C.

Mr. Peltier leaves to-day for the east to wind up his affairs there. He will return in a few weeks to take up his residence in Brandon and assume charge of his new business.

HOW OFTEN WE FORGET.

We are too heedless of the little things
Done for our comfort by our own hands;
Too thoughtless of the cheek our lips might kiss;
The grateful word—so short a word to say!
We notice not the tired feet hurrying
On small errands; fail to heed the meek
Word of reproach, nor sicken with the thought
That at our blunders less kind lips might speak,
God trains His angels in our simple homes,
While we search skyward for the radiant wings;
And Heaven's light plays about the patient soul
Who at our heartstones daily toil and sing—
How often we forget, till dear tired hands
And tender watchful eyes
Wearied of waiting for our tardy thanks
Slip into Paradise.

AT HALF MAST.

Sometimes we are greeted in the morning by flags at half-mast for some prominent official who yesterday was apparently in perfect health. When we inquire the ailment by which he was stricken it is not uncommon to be told "acute indigestion" or "stomach trouble."

It is time people learned that indigestion or any form of "stomach trouble" is not a thing to trifle with. The result may not be fatal, but there can be no condition of diseased stomach which does not carry with it physical loss and weakness. Dr. Pierce's Golden Medical Discovery cures indigestion and other forms of disease affecting the stomach and its allied organs of digestion and nutrition. It enables the perfect digestion and assimilation of food.

"Thanks to Dr. Pierce's Golden Medical Discovery," writes Mr. Charles H. German, of Lehigh, Pa. "It is the only medicine I have done me any good. I tried everything I could think of to cure indigestion and found I was only throwing away money. Then I heard of Doctor Pierce's Golden Medical Discovery and tried a bottle of it, and to my joy found it was doing me good. I used six bottles of it, and am now cured. It is the best medicine on earth."

This grand remedy does its work in a thorough manner; it gives the health that is all health; the strength that is solid, substantial and lasting; not flabby fat, not false stimulus, but genuine, complete, renewed vitality and life force.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.

LIBERAL CONVENTIONS.

Mr. McCool For East Nipissing and Mr. Cowan For East Lambton.

North Bay, Sept. 22.—A Liberal Convention was held here yesterday for the purpose of nominating a candidate to represent East Nipissing in the House of Commons. C. A. McCool, present member; Z. Mageau of Sturgeon Falls; John Armstrong, mayor of New Liskeard; Angus McKelvie, of Hailybury; A. G. Young, wholesale merchant of North Bay, were nominated, all retiring except Z. Mageau and C. A. McCool, the present member. The vote was 120 for him and 66 for Mageau. On motion of Z. Mageau, the convention was unanimously given to Mr. McCool. Last evening a meeting was held in the opera house, at which the following were present: Sir William Mulock, C. A. McCool, Mr. Lemieux, Solicitor-General; Dr. James M. E. A. Dymont, M.P., of Thessalon. Sir William Mulock spoke for an hour, and Mr. Lemieux spoke in French for half an hour. The meeting broke up about 10.30, with three cheers for C. A. McCool, and the Liberal Government.

East Lambton.

Watford, Sept. 22.—A convention of the Liberals of East Lambton, was held here yesterday afternoon to select a candidate to contest the riding for the House of Commons at the coming election. There was a large attendance. About twenty nominees were placed before the convention, but all retired in favor of John Cowan, K.C., of Sarnia, who was made the unanimous choice of the convention. R. Holmes, M.P., for West Huron, delivered an address on the issues of the day, dealing largely with Mr. Borden's policy on the Grand Trunk Pacific.

Let the Government Own.

London, Sept. 22.—At the meeting of the Union of Canadian Municipalities yesterday, Controller Hubbard of Toronto moved that, "In the opinion of this union, the long-distance telephone business of Canada should be taken over by the Government of the Dominion, and legislation on the telephoning can be taken over and operated by the local municipalities in which such businesses are carried on, and for these purposes a draft be prepared by the Union of Canadian Municipalities for presentation to the Dominion Parliament and Provincial Legislatures by the different municipalities through their representatives." After discussion, the resolution was unanimously carried.

A PAIN ACROSS THE STOMACH

Can Always be Relieved by a Few Doses of Dodd's Dyspepsia Tablets. "I could not take the simplest food without a pain across my stomach." That was the miserable condition Marie Ann Bujold, of Maria Cap, Bonaventure County, Que., was in. Thousands of Canadians could sympathize with her. For they know just how miserable she was. They are that way themselves. But listen to the rest of Miss Bujold's experience: "I finally consulted the doctors, but they did me no good. Then an advertisement led me to try Dodd's Dyspepsia Tablets. One box completely cured me."

No one can appreciate the amount of condensed happiness contained in a box of Dodd's Dyspepsia Tablets till they have suffered as Marie Ann Bujold did, and found the relief that came to her. That relief can always be found in Dodd's Dyspepsia Tablets.

Miss Romanique: The foreign nobility having nothing to do must lead awfully monotonous lives. Miss Kostjue: Oh, yes, I notice that those who come over here never seem to have any change.

TWO MEN DROWNED.

Upsetting of a Sailboat in Moffatt Straits Near Port Arthur.

Port Arthur, Sept. 22.—In Moffatt Straits, about noon Tuesday a sailboat with three fishermen, Harry Shelly, Thomas Williams and Robert Smith, was suddenly capsized by the wind. Smith was lost sight of on the spot, the boat turned on to the mainmast. About two hours later Williams gave up, and was also drowned. Shelly securing his body to the mast. About 4 p.m. James Gerson, who was on his way to Rossport with a tug, picked up Shelly, who was still hanging to the boat, and Williams' body. Williams was single, and had been in this vicinity for a number of years. Smith leaves a wife and three children in Port Arthur.

Peterboro Man Killed.

Buffalo, Sept. 22.—A man supposed to be Gordon McEwan was found seriously injured in the Grand Trunk yards here last night. It is supposed he was struck by a New York Central train. At the hospital it was found necessary to amputate the man's right arm. The surgeons say his skull is fractured. Papers found on him indicate he is a telegraph operator in the employ of the G.T.R. at Peterboro, Ont.

Died in Dentist's Chair.

Ottawa, Sept. 22.—Miss Lottie Borthwick, aged 18, daughter of Thos. Borthwick, Gloucester township, a niece of ex-Mayor Borthwick, of Ottawa, died yesterday afternoon while under the influence of an anaesthetic in Graham & Beatty's dental parlors, Wellington street. She asked for an anaesthetic, and nitrous oxide, commonly known as laughing-gas, was administered. Dr. Baptie, coroner, who was present for an hour, trying to restore respiration, returned a report to the Crown Attorney that death resulted from an anaesthetic accident, with no one to blame.

Three Injured While Blasting.

Collingwood, Sept. 22.—Three men—Reuben Ayers, John Bell and John McFarlane—were injured while blasting out a drain at the Imperial Steel and Wire Co.'s works Tuesday night. The accident was caused by a slow fuse, which the men took for a misfire. Their injuries are not of a serious character, consisting chiefly of cuts about the face and head.

Escapes Death at Crossing.

Toronto, Sept. 22.—Local C.P.R. officials were advised last night of a level crossing accident a short distance west of Ayr Station. Thomas Henderson, 29 years of age, a farmer, was struck by an eastbound freight train while attempting to drive across. His collar bone was broken, and he was considerably bruised about the head. Of the team of horses he was driving one was instantly killed, while the other was badly hurt.

Two Trainmen Hurt.

St. Thomas, Sept. 21.—Morley Jones, Wabash engineer, who resides at No. 74 Bellacava street, and his fireman, Fred Oliver, who lives at No. 126 Alma street, were injured at Canfield Junction the Wabash yesterday morning. Their engine was running light and they did not notice another engine ahead of them until it was too late to avoid an accident. They then jumped and the engine was derailed.

Woman Severely Burned.

St. Thomas, Sept. 22.—Mrs. Wm. Brommell was severely burned by the explosion of gasoline Tuesday night.

HOLY WAR PROBABLE.

Buddist Pilgrimage to Mouzan in February Causes Comment.

St. Petersburg, Sept. 22.—It is rather significant that, with the success of the British expedition to Tibet and the protest of Russia against the British-Tibetan Treaty, some of the Russian papers have suddenly become greatly disturbed over the importance of the Buddhist pilgrimage to Mouzan in February. According to information which has been drifting eastward from the depths of Mongolia, the agitation for a holy war, noted at the time of the pilgrimage to Ourga, in July last, continues. Wandering Lamas are spreading the agitation. According to reports at Ourga, there is a general agitation among the Buddhists in favor of freeing themselves from the dominion of China, some of them favoring the removal of the Dalai Lama to Northern Mongolia and entering on a holy war for the establishment of a Buddhist kingdom, while others advocate appealing for the protection of Russia.

CATCH OF COD A FAILURE.

Gale Sweeps Newfoundland, Causing Loss of Life and Much Damage.

St. John's, Nfld., Sept. 22.—A fierce gale swept this region yesterday. The schooner Amy Louise, 114 tons, of St. John's; schooner Bobs, 97 tons, of Parrsboro, N.S., and the schooner Elinor, 86 tons, of Plymouth, have been driven ashore. The schooner Ripple, 70 tons, of Quebec, has been lost, with five men. The Labrador mail steamer is delayed. It is feared that last week's gale has devastated the Labrador seaboard. Reports from St. Pierre show that gales have severely damaged the French fishing fleet. The catch of cod is the poorest in ten years.

Parker For Africa.

London, Sept. 22.—(C. A. P.)—Sir Gilbert Parker, who has been spending a few days with Mr. Chamberlain, visited Gravesend yesterday prior to his leaving on a four months' tour in South Africa. He proposes to submit a land settlement scheme to the Governments of the Transvaal and Orange River colonies on a principle already approved by them and the home Government.

London, Sept. 22.—(C.A.P.)—The London Tatler contains an illustration of King Edward and Sir Gilbert Parker talking together at Marlborough.
