The School of Horticulture.

The closing exercises of the Nova Scotis Schoel of Horticulture were held in College Hall an Wednesslay evening. The hall was appropriately furnished for the eccasion, with flowers and straperies, and was well filled with an appreciative and attentive audience. The exercises began with prayer by Dr. Sawyer, Mayor Bicelow presided and gave the spening addres, in which the congratulated the teacher and napils on the excellent work done during the year and the ferred to the hopeful outlook for the future of the schoel. This was followed by a piano so lo by Miss O'Key, that talented teacher of instrumental music at Acadia Seminary, which delighted the audience by its excellent fearcention and received vigorous applaure. Papers were given by students of the school as follows:

"Exsential Points in Successful Fruit Growing," J. R. G. Crispo, Waterville, "Intensive versus Extensive Horticulture," Miss Tirs P. Caidwall, Wolfville.

Prof. Faville then conferred certificates on these who had completed the course. During the term there have been for pupils on the register. Of these 25 have completed the first year and 9 the second year. The attendance represents eleven counties of the Fruit Grower's as condition on the profession of the School.
