MAGNETIC MEDICINE. within the precincts of the willow walk he would inevitably suspect that he was waiting to keep a lover's tryst.

Alison leaned over the gate and watched him as he walked away, watched him take the lane that led to the route she had wished and disappear. She stood there until the gold in the clouds had changed to crimson, the crimson to purple, that spread itself like a royal mantle over the Western hills. White mists began to settle on the brooks that but a moment

mother, in a quick voice.

She went to the parlor just as she was; her sleeves turned back at the had watched together more than six mouths before. The brilliant beams shone like molton gold in the glowing west, the blue sky around was flecked with her mother; it was a venerable, white-haired old gentleman—Mr. Watkyn the elder.

"I am come to ask about Thomas," said he. "I believe be came here last night, Miss Alison; at what time did he leave?"

A prevision struck her with a sort BEFORE BRAIN & NERVE FOOD JAFTE Positively cures Night Losses, Spermatorrea, Implency, Nervous Debility, and for all Washington Cheapest settle on the brooks that but a moment

and of our pleasant meetings. You will let me take a farewell kiss."

He bent his face to her's. "How dare you, sir?" she exclaimed, starting back from him. "Kiss me, indeed! back from him. "Kiss me, indeed! when he went away he said he went for good."

Mrs. Reece drew in her thin lins sternly. She was thinking.

"And what does it all mean about true you are! If I can only be a little bit worthy of you!"

They walked home slowly, arm-in-

"Such a dreadful mist!" she ob- others went to look for him, his deathserved to Alison. I don't think I ever saw such a one. It came on suddenly after the most lovely sunset. Quite a me!" wailed Alison, quite beside herremarkable sunset. I hope you no-ticed it, child." self with remorse and grief, as she knelt beside him, wringing her hands.

favor Thomas—for the last time.

"What is it?" he repeated.

"If you would not very much mind going home by the hill, and would leave this note at Miss Ford's I particularly wish her to have it this evening."

Alson woke betimes and to a vague sense of uneasiness. It was a fine morning, the mist all cleared away.

As she stood at the window, lifting himselt majestically in the east, tinted her cheek with a rose-red flash, and threw down on the green meadow threw down on the green meadow the songs of thrushes and larks broke took her senses away; others thought was the shock that made her ill and took her senses away; others thought was the shock that made her ill and took her senses away; others thought was the shock that made her ill and took her senses away; others thought was the shock that made her ill and took her senses away; others thought was the shock that made her ill and took her senses away; others thought she must have loved the poor young man to distraction: no one save her

about her other work, I should soon have the kitchen table clear and might

western hilfs. White mists began to settle on the brooks that but a moment before had reflected the gorgeous rays of the setting sun. Somehow it seemed to make her shiver, and she crept up to her own room with a strange sense of loss at her heart.

Mrs. Reece had gone out after teat to sit with a sick neighbor, and Alisan to sit with a sick neighbor, and Alisan to see the sit with a sick neighbor, and Alisan to see the settle on the brooks that but a moment of terror that something was wrong.

"He leave?"

A prevision struck her with a sort beauty. I think there must have been an unconscious prevision in his mind, by what he said that evening when we watched it, that he would soon be there. Oh, mother, I wish I was going to him. I wish I could be with him to-morrow."

The mother paused: she felt inclined

appointment. It was nearly time to be starting; at least she might as well go at once and then she would be safe from her mother. Putting on her hat, she ran down stairs and opened the kitchen door.

"Patty, if mamma comes in and asks for me, tell her I'n only strolling about a bit this lovely evening. I shall be in directly.

But the loveliness of the evening had gone. Somewhat to Alison's surprise, the white mist had increased so greatly as to obscure everything but itself. "How quickly it has come on!" she exclaimed.

But we have not seen him, and I cannot have a seen observer; she presently answered.

"Yes, I do get better;" she presently answered.

"Tis unpose it pleased God that I would."

"Time soothes all things, Alison. In time you will be strong enough and able enough to fulfil life's duties with a zest. Trials are good—oh, so good —for the soul. But for neeting with the we might aver leave the rister;" she presently answers, I done have not seen not the right the prise have not seen on the right the girl. "I suppose it pleased God that I would."

"Time soothes all things, Alison. In time you will be strong a zest. Trials

on!" she exclaimed.

Mr. Vavasour was waiting for her and they paced for a few minutes the waiting strength daily, strolled was picking up strength daily, strolled.

"The long way—round the hill."

"Round the hill?" echoed Mr. was picking up strength daily, strolled.

and they paced for a few minutes the willow walk together. But for a very few—the young mansaid he was pressed for time—he had "heaps" of packing to do, not having touched it yet, and he was going away in the morning.

"Going away?" exclaimed Alison.

"Yes—and be shot to it!" said he.

she replied, in a timid tone: "I want- without a rest. dressmaker's."

Old Mr. Watkyn sank into a chair, putting up his hands before his troubled to the atmosphere, and light up redly the face of a pale tottering man who

of hismonstache. Nothing seems certain in this sublunary world of ours except uncertain changes. Old Tarby was quite knocked down with the news. I wrote to ask you to be good

Alison uttered a scream of horror.

"Deceived by the mist, he must have walked too near the edge," continued the old man. "Heaven grant that it may not be so! but—I fear it.

CHARLES MARSHALL, Execution of Charles Marshall of Charles immensely sorry to leave you. Wish you were going with me!"

"There's more in all this than meets in time to be strong and well again."

"Can you ever forgive me?" she

Mr. Vavasour took her hand and heldit. "Good-bye dear Miss Reece," to tears. "Oh, mother, it was folly, he said; "I shall often think of you all my temper; he could not see that, "End I me I must choose between them," continued Alison, bursting in to tears. "Oh, mother, it was folly, all my temper; he could not see that, "We must pass them together my dear."

and here! Until this night I had taken you giving him a note for the dress-you for a gentleman."

where I do not understand. You Mrs. Reece came to the porch to meet what a mist it is!" he broke of, as they came to the end of the walk, and the open field beyond it. "One can hardly see ten vards before one. I must see you home."

"I wo, no, no!" cried Alison vehem in the walk, and the continuous and she extorted the work of the walk and the see you home."

"I do not understand. You had nothing to write about.

The girl got her hands free and flung them before her face to deaden the sobs. But Mrs. Reece was a resolute woman at times and she extorted the confession. Alison had improvised the note and sent Thomas round to deliver it, and so kept him from passing by the willow walk.

Extraction of the porch to meet them. God is full of mercy she thought.

"I did not tell her, Thomas," she woman at times and she extorted the confession. Alison had improvised the note and sent Thomas round to deliver it, and so kept him from passing by the willow walk.

You will have enough to do to get back to the parsonage; take care you don't miss the path. Good-bye, sir."
St. John, Aug. 2.

You will have enough to do to get back to the parsonage; take care you don't miss the path. Good-bye, sir."
She flew from him across the field and was lost in the mist. He took the opposite path.

A SPLENDID FARM
Containing two hundred (200) acres, more or less, well fenced, well wooded, and well watered. About fifty (50) acres under cultivation.

You will have enough to do to get back to the parsonage; take care you don't miss the path. Good-bye, sir."
She flew from him across the field and was lost in the mist. He took the opposite path.
"And it proved to be so. In taking the two mile round between the cottage and the farm, a high perpendicular precipice called the Scar had to be gassed. The tableland or plateau at the top was wide and a perfectly affer road by daylight, since a traveller or late of properties are such that its effects on this disease are made were ched, is alwaysalleviated, and in many instances.

And it proved to be so. In taking the two mile round between the cottage and the farm, a high perpendicular precipice called the Scar had to be passed. The tableland or plateau at the top was wide and a perfectly affer road by daylight, since a traveller or watered. About fifty (50) acres under cultivation.

'I'm glad Billy had the sense to marry a settled old maid,' said Grandma Winkum at the wedding. 'Gals is hity-tity and widering at the wedding.' Gals is hity-tity and widers is kinder overrulin' and unsettin.'

Thomas!" she called out. have had Thomas here."

Alison complained of a headache, the heart she had so grieved might never beat in joy or sorrow again.

No person had seen or spoken to humble herself to him—who knows? She did nothing of the kind. A moment's pause, possibly of indecision:

She felt a little ashamed of herself; swered his knock herself she related.

She did nothing of the kind. A moment's pause, possibly of indecision; she felt a little uneasy.

"But I will make it up to him," she sighed, as she laid her head upon her within the folds of her frock.

"May I ask you to do me a little pillow. "He will be sure to let me; he is so good and loves me so truly."

Alson woke betimes and to a vague marked to her in his pleasant chatty.
