Miscellaneous.

For Delicate, Sickly Children Scott's Emulsion is unequalled. See what Dr. C. A. Black, of Amherst, N. Street. , says: "I have been acquainted with t one of the finest preparations now be- er." fore the public. Its pleasant flavor makes it the great favorite for children, and I do highly recommend it for all wasting diseases of children and adults. Put up in 50c. and \$1 size. a-4 4-W.

Fashionable lady (to elevator boy). "Is the elevator quite safe, little boy?"
Boy (with an eye on her bustle)—
"Yes'm, but if it should drop you wouldn't get hurt."

Mothers! Castoria is recommended by physicians for children teething. It is a purely vegetable preparation, its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhœa and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natur-

How true it is that we never know what the future and the merchant that never advertises have in store. Chas. Vye, Jr.

A Sight Worth Seeing.

Probably few persons ever saw the breathin apparatus of a human being laid open for in apparatus of a human being laid open for inspection. From a hospital cadaver, we nee saw the lyngs and bronchial tubes removed, and blown up as a boy would a bladder or toy balloon, until the fine bronchial tubes and air cells of the lungs were distended to their fullest extent. In this state the lungs were hardened by immersion in alcohol, so that they remained expanded when the air was let free. With a sharp brife the windspipe and lyngs. Truly a wonderful sight, which we have often

A person may take up his residence without loss of character, but the shoplifter is universally abhorred.
