CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will accomplish the result. This preparation is one of the most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results and endorsed and prescribed by more physicians for Consumption and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrophala, Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet is truly marvellous.

and the People Say About It.

At No. Thirty-sixth Street, New York, September 2, 1876, I purchased of Geo. Lewis Co., with Hypophosphites during a long and protracted illness, and during the last year I have used in my own family, and in my children, and in my general health did not improve. I was despondent for many weeks, violent symptoms appeared, and I was a recurrence of the spinal trouble. My physician and I used various preparations, but they did me no good. I purchased a bottle of Scott's Emulsion of Cod Liver Oil, and I afterwards bought a dozen bottles, with the best results. I have taken no other medicine since its use until I am perfectly well. I frequently use it and I answer, "Scott's Emulsion of Cod Liver Oil is good and medicine for him. He was given up to die a few weeks ago, and I am sure I shall entirely recover."

I am gratefully yours,
R. W. HAMILTON, M. D.
