Rheumatism Can Be Cured

The Trouble is Rooted in the Blood and can only be Cured Through the Blood

In the days of our grandfathers rheumatism was thought to be the unavoidable penalty of middle life and old age. Almost every elderly person had rheumatism, as well as many young people. Medical science did not understand the trouble—did not know that it was rooted in the blood. It was thought that rheumatism was the effect of exposure to cold and damp, and it was treated with blisters and hot applications, which sometimes gave temporary relief but did not cure the trouble. In these days there were thousands of rheumatic cripples. Now medical science understands that rheumatism is a disease of the blood and that with good, rich, red blood any man or woman of any age can defy the trouble. Rheumatism can be cured by killing the poison in the blood which causes it. For this purpose the blood making, blood enriching qualities of Dr. Williams' Pink Pills is becoming every year more widely known, and it is the more general use of these pills that has robbed rheumatism of its terrors. In proof of Dr. Williams' Pink Pills to cure this trouble, Miss Jennie Stockdale, Hall's Bridge, Ont., says: "Two winters ago I was taken with a bad attack of rheumatism, and was in bed for over two months, most of which time I could not sleep or enjoy rest day or night. The trouble also affected my nerves, which were very bad. I tried several remedies but did not get any help from them, and then, acting on the advice of a friend, I decided to try Dr. Williams' Pink Pills. I soon felt that the pills were helping me, and after taking eight boxes I am glad to say I was able to go about again as usual, and am now enjoying the best of health with plenty of good, rich blood which makes me feel like an altogether different person. I earnestly advise those suffering from rheumatism, nervousness and kindred troubles not to delay using Dr. Williams' Pink Pills as, like myself, I am sure they will find a cure through their use."

You can get Dr. Williams' Pink Pills through any medicine dealer, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

TWO N. B. SOLDIERS IN TOWER OF LONDON

A military matter of interest came before the government at Fredericton last Tuesday. It had been reported to the government by soldiers of this province who have returned from England and who had been in Kimmel Camp at the time of the riot there, that two New Brunswick soldiers now are confined in the tower of London, awaiting trial on charges arising from the riot. Some of the returned soldiers were witnesses of the event in which the prisoners were concerned, and are said to have evidence to submit which would be in their favor. A request has been made that the provincial government take action on behalf of these men and endeavor to have their trial delayed until evidence of these returned men can be given in person or by commission, or to have the prisoners brought here for trial.

The government has the matter under consideration.

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and sluggish bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

The Outstanding Product of a Large Manufacturing House

FOUR large factories and five distributing warehouses stand back of Brandram's Genuine B.B. White Lead.

Every step in its manufacture is closely watched by chemical engineers—nothing is left undone which would help to maintain the quality of the world's finest white lead.

Brandram's Genuine B.B. White Lead

is different from any other white lead. To begin with, it is corroded by several secret processes which are then merged into a pigment of marvellous smoothness. This pigment is ground no less than five times, first under huge stones, and finally between heavy steel rolls. In this grinding process, it is made into a pulp by being mixed with pure refined linseed oil made in our own linseed oil mills.

Whenever you paint, use Brandram's Genuine B.B. White Lead if you mix your own paint. If you want to save the labor of mixing you can ensure the use of this quality pigment only by getting B-H "English" Paint.
