

THE HUNGARIANS

ment in Hungary is of ancient origin, being founded upon a charter called the Golden Bull, which dates back to 1222, and is thus almost contemporary with the Magna Carta of England.

Budapest, the capital city of Hungary, consists of the sister towns Buda and Pest. Lying on either side of the Danube; just as that river spreads itself out over the flat plain on the left bank, while Buda occupies a series of small and steep hills on the right bank.

MEDALS FOR TROOPS, SILVER CROSS FOR HEROIC MOTHERS AND WIVES

INTERNATIONAL AWARD WILL PROBABLY BE MADE FOR OVER-SEAS TROOPS AND ANOTHER FOR HOME SERVICE.

Nothing definite has been decided as to the issue of war medals or as to their nature, but it is likely that two will be issued. (1) An international medal for all troops engaged in theatres of war, and a British medal for all troops serving at home or in garrison regiments. It is estimated that from twelve to fifteen million medals will be issued by the British Government.
The following are the awards to

date to Canadian soldiers:
Victoria Cross 61.
D-S. O. 605.
Military Cross 2312.
D. C. M. 1453.
Military Medal 7785.
It is also proposed to issue a silver cross, "The Cross of Sacrifice," to be worn by the mothers and wives of those who have fallen in the war, and a suitable recognition which will appeal to all.

PROPOSED

(continued from Page 1)
eighteen feet in width be constructed on the crown of the road without curbs and without the laying of all services to vacant lots. This pavement width without curbs would be moderately priced; would permit of the services being constructed as the properties require either by boring under pavement or by tunnelling and would insure that the pavement could be safely built this year.

crete pavement as continuation of similar pavement.
Geneva St.—Russell Ave. to Carlton St. This street is only sparsely built up and would require a large number of sewer, water and gas services to prepare for a proper pavement. On the lower portion from Norwood St. to Carlton St., a sewer has not yet been built and also in the block from Junkin St. to Russell Ave. there is no sewer, although a relief spur is projected to be constructed here to relieve the Russell Ave. sewer.

York St. to Lake St.—24 feet between curbs.
Geneva St. to Niagara St., 24 feet between curbs. The petition for these two sections asks for concrete. There is a large number of vacant lots on these two sections requiring services to be laid before paving.
Maple St.—Catherine St. to Geneva St., 24 feet between curbs.
Beech St.—Lake St. Catherine St., 24 feet between curbs.
Catherine St.—Welland Ave. to end of existing pavement, 26 feet between curbs. Curbs are built from Welland Ave. to Beech St.
Page St.—Queenston St. to Welland Ave., 24 feet between curbs.
Richmond Ave.—Queenston St. to tracks, 24 feet wide, curbs already built.
Centre St.—Court St. to Geneva St., 24 feet between curbs already built.

Then from St. Patrick St. to the travelled roadway is not in the middle of the street allowance and when permanently paved would require moving to the westwards.
For all of these reasons we had previously recommended that this portion of street be improved out of Board of Works Estimates and maintained until such time as the underground services are more completely installed.
If you think it wise to improve this highway as a Local Improvement, I would recommend macadamizing the road again and the surface could be treated with Tervia and the term of payment should be shortened to 3

Maple, Beech, Catherine, Page, Richmond, Centre Sts.—These streets are for the most part well built up residential streets and all underground services should be constructed before the pavement is laid.
Clark St.—Church St. to Welland Ave., 20 feet between curbs.
Court St.—Church St. to Welland Ave., 19 feet between curbs.
Clark St. and Court St. have steep grades and carry heavy hauling and should be paved with a suitable non-slippery roadway such as tar macadam or cement concrete.
Court St.—St. Paul St. to Geneva St., 24 feet between curbs.
Calvin St.—Church St. to Queenston St., 20 ft. between curbs.
Vine St.—Erie St. to Welland Ave., 22 feet between curbs which are already constructed. Recommend that this be constructed in macadam to correspond with the section already built.

HOW'S YOUR BLOOD?
Pimples and Eruptions Mean Bad Blood
People who have impure or impoverished blood should be careful to take only a temporary remedy made of wild roots and barks such as Dr. Pierce's Golden Medical Discovery is and has been for nearly 50 years. Ingredients printed on wrapper.
The first day you start to take this reliable medicine, impure germs and accumulation begin to separate in the blood and are then expelled through the eliminative organs.
In place of the impurities, the arteries and veins gradually get fresh vitalized blood, and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache.
Get Dr. Pierce's Golden Medical Discovery to-day at any medicine dealers, in tablet or liquid form, or send 10c for trial package to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

Bellevue Terrace—Completion to Monk St., 24 feet between curbs already built. Recommend that this be constructed in macadam to continue the same type as already built.
Court Alley—Academy St. to Court St. Recommend a cement concrete pavement 13 feet in width without curbs.
Helliwell's Lane—Church St. to King St. Recommend a cement concrete pavement 13 feet in width without curbs.
Henrietta St. from Westchester Ave. to Ridley College Lower School, 14 feet in width. Recommend cement concrete.

Windsor, Ont.—"For over three years I suffered with stomach and liver trouble. I would blot up, gas would form on my stomach and cause me to be terribly distressed at times. I also broke out with ring worms. I doctored and took medicine but did not get any relief until a lady advised me to try Doctor Pierce's Golden Medical Discovery, which I did, and, also, the "Pleasant Pellets" and I am glad to say that these medicines so completely cured me that I have never had any return of these ailments."
Mrs. FLORENCE HOOPER, 4 Albert Street.

BAD BLOOD FATAL TO GOOD LOOKS

Easy Enough to Restore Both By a Simple Home Remedy That Costs But a Quarter

Bad looks and bad health go together. To look young, to be happy, to enjoy life, and be always at your best you must keep your blood pure, your liver active, your bowels well regulated. These are the prime essentials to a happy, healthy old age.
If you want a positive guarantee of good health, you can easily find it in the regular use of Dr. Hamilton's Pills, which for forty years have been keeping thousands of people in the pink of condition. It's no experiment to use Dr. Hamilton's Pills as a regular round of life. They are composed of certain extracts and herbs that search out disease, that regulate, tone and strengthen the system.

If in need of better health, if lack in strength, if subject to headaches, blood disorders, constipation, lack of appetite, and indigestion, 'tis safe to say you will be cured quickest by using Dr. Hamilton's Pills, sold everywhere in 25c boxes.
or 5 years at most.

Questions of Tenders
Since there is considerable uncertainty amongst contractors as to tendered prices of pavements this year and also a considerable range in price between different types that might be suitable for many of the streets in the list, I would recommend that authority be given to complete the contract plans and call for tenders for the year and seek competition among contractors for all the standard types of pavement. Then with these figures at hand it would be possible to select the best types of pavement available at the tendered prices and base our final recommendations and estimates on this information.

In the meantime I would recommend that authority be given to proceed with the laying of the sewer services where necessary on the following streets pending the passing of the by-law authorizing the pavement.
Russell Ave.—Lake to York.
Russell Ave.—Geneva to Niagara.
Maple St.—Catherine to Geneva.
Beech St.—Lake to Catherine.
Catherine St.—Welland to end of pavement.
Page St.—Queenston to Welland.
Richmond St.—Queenston to tracks.
Centre St.—Court to Geneva.
Clark St.—Church to Welland.
Court St.—Church to Welland.
Calvin St.—Church to Queenston.
Vine St.—Erie to Welland.
Yours respectfully,
W. P. NEAR,
City Engineer.

MAY SIT ON COMMISSION

Senator S. White, Carl Riordon and Mr. Harrison, M.P. May Join Labor
Ottawa, April 7.—It is expected that the Cabinet Council will make the final selection of the men who are to comprise the commission which is to investigate the relations between capital and labor in the Dominion, and to make recommendations tending toward the democratization of the Government of industry. It is practically certain that the chairman will be Mr. Justice Mathers, of Winnipeg. Other names prominently mentioned are those of Carl Riordon,

NOTICE To Consumers of Gas

"On March 25th the City Council passed the following Resolution:
"That the Public Utilities Commission be notified to discontinue the operation of the Civic Gas Plant for the sale and distribution of gas on and after the 15th June, 1919, and that the Commission be requested to serve notice of such discontinuance upon the customers served by the said Gas Plant so that they may make other arrangements before that date."
"In accordance with this Resolution the supply of gas from the City Gas Plant will be discontinued on June 15, 1919.

Motorists, Attention!

Our Soldiers Are Coming Home

Some On Almost Every Train

Will You Help?
We want volunteers with motor cars to meet the boys, to give them a welcome hand and help them reach their homes again.

Will You Do Your Bit?
You will only be called on a few times each month. Kindly notify A. H. Wallace, 97 St. Paul street, at once and arrangements will be made which trains you will be required to meet.

Under Auspices St. Catharines Auto Club

A. H. WALLACE,
Chairman Reception Committee Repatriation League

of Toronto, and Senator Smeaton White, of Montreal, representing capital and Tom Moore, the president of the Trades and Labor Congress of Canada. John Bruce, of Toronto, and Mr. Harrison, M.P., for Nipissing representing Labor. There will, it is stated be seven members on the board.

MACKENZIE MANN INTERESTS SECURE IMPORTANT VICTORY

PRIVY COUNCIL ALLOW APPEAL OF COMPANY WITH COSTS AGAINST GOVERNMENT INTEREST. COMPANY CAN NOW PROCEED WITH ACTION AGAINST COMMISSION.

(Special To The Journal)
Toronto, April 7.—Canadian associated press despatches today indicate that electrical development company interests, (MacKenzie Mann) have secured an important initial victory before the Privy Council in their fight against the Ontario hydro electric (Government) commission and the Attorney General of Ontario, when that highest court allowed with costs the appeal of the company against these government interests. This judgment permits the electrical company to proceed with their action against the commission to determine the validity of powers given by Ontario to the commission to develop certain waterpowers in the Welland and Niagara rivers. The Lower courts held that this action could not be defeated by Attorney General of Ontario who refused it.
