sures which have been made by several elections may be with your progressive neighbours, by main strength and stupidness.

The Bishop of Wartsburg once asked a sprightly shepherd boy: "What are you doing here, my led?" "Tending swine." "How much do you get?" "One florin awek." "I am also a shepherd," continued the Bishop, "but I have a much better salary." 'That may all be, but then I suppose you have more swine ender you care," innocently replied the boy.

A new cod fish bank has been discovered in the Pacific, off the morthwest coast of America. The fish are more numerous, finer and more easily caught that in the Atlantic. Some 644 tons have all ready been received at San Francisco, and intuber of vessels are yet to come in.

A man died last week in Shrowsbury' Mass who had become so advanced in his second childhood, that for some months he had peraisted in carrying to bed with him such night aray doll which belonged to one of his grand-children.

The copper mines of Tennesse have yielded since the war more than 1.000,000,000 pounds of ingot copper. Want if failire road facilities to get the copper to market prevents a much larger amount from being produced.

The copper mines of Tennesse have tyielded since the war more than 1.000,000,000 pounds of ingot copper. Want if failire road facilities to get the copper to market prevents a much larger amount from being produced.

The copper mines of Tennesse have two, three, five or ten dollars, as the sprice of the new Baptist church in that city, 170 feet show the ground, and stood there on his bead for several minutes, though the wind was blowing a gale at the time.

La Late Candian despa **Acc state, the Cardinal Cullen has issued a paste
The Counters and the provents of the city of the other. To prevent their defeat, they commit the offence of the cut of the price of the overal minutes, though the wind was blowing a gale at the time.

Sig. Vigezzi, who was recently ap
nted by the Italian Government Amsador to the Papal Court, has declared

The French troops evacuated St. Angelo yesterday, and the Pontifical colors were immediately hoisted. The Pope will remain at Civita Vecchia for a few days. Preparations are being made by the authorities for the maintenance of order.

The treaty of peace just now being someladed between Spain, Chili, and Peru, shows that there was little or no reasonable ground for the struggle, and that the loss of life and property involved without any sacrifice of national dignity.

Uncle Sam had a neighbour who was in the habit of working on Sunday, but after a while be joined the Charch, One day he met the loss of the Charch, One day he met the loss of the common survey and the treomy one of the burglar's friends out who had crawled into the room made a hasty serit through the window, followed closely keep two more shots from the nised. The gentleman who had crawled into the room made a hasty serit through the window, followed closely keep two more shots from the nised. The least series a small hefer rising two years had senor shots from the nised. The serit through the window, followed closely keep two more shots from the nised. The serit through the window, followed closely keep two more shots from the nised. babit of working on Sunday, but after a while he joined the Charch. One day he met the exit through the window, followed closely by two more shots from the pistol. "The last Uncle Sam, and he, do you see any difference in Mr. P. since he joined the church? Universaid Uncle Sam, a great difference. Formerly, when he went out to mend his from the alley with the rapidity of lightning, fence on Sunday, he carried his are on his shoulder, but now he carried if under his overcoat.

"What are you going to give me for a hrustmas present ?"asked a gay damsel of hrustmas present ?"asked a gay damsel or are lover. "I have nothing to give but my amble self," was the rebly. "The smallest two standard presents of the lady." "The smallest with twenty-seven names, the first being Alphoaso, and the last Todos loz Santos (all the Saints.)

response of the lady.

The delicacy of some of the ornamental castinor work, known as Berlin iron, is such that it requires of some pieces 10,000 to weigh one pound.

INPROVED EUROPEAN TELEGRAPH FACILITIES.— We are informed that Cable despatches are now transmitted direct between New York and the western end of the Cable at Heart's Content, Newtonndland, and that the average time in passing business between New York and Valentia, Ireland, is only five minutes to a message. The entire land route is being rapidly placed in the most reliable condition.

The Prussum government has just decreed the establishment of tribunuls of commerce on the French model.

The students of Bishop's College, as areas while in the omnibus.

ween New York and Valentia, Ireland, it only five minutes to a message. The entire land route is being rapidly placed in the most reliable condition.

The Prussuan government has just decreed the establishment of tribunals of commerce on the French arodel.

—There is a ting of romance about the circumstance leading to the apprehension of Surratt. A cable despatch, from Bome on the 11th, says that the informant is a French Canadian named Ste. Marie, formerly a U.S. soldier, but latterly in the Papal Zouares, Bouth Ste, Marie and Surratt were in love with the same lady in Washington, and Ste. Marie betrayed the latter through a jealousy.

EMINEURY TYPO.—Captain Anderson, of the Great Eastern, who has made himself famous by his successful managment of the mammoth ship while laying the Atlantic Cable, was at one time a compositor on the Dumfries Courser.

C. A cool specimen of bumanity stepped into a printing office out west to beg apaper, "Because," said he, "we like to read newspapers very much, but our neighbors are too stingy to take one."

Why is the sea salt? A Vermont teacher put his question to his primar class. A bright little urchin replied, Bocauco it is full of codish, sir.'

To bear evil speaking and illiterate judgments with unanimity is the highest bravery It is is fact, the repose of mentacourage.

Sale or Mikemal Larde, Molite has been given by the Crown Lands Department that the vacent Public Lands in the Townships of Rawdon, Huntingdon, Hungerrord, Alarmore, Malode, Elsevier, Lake and Todor, are offered for sule is mineral lands at \$2 per acre, cash. Applications to parchase to be made to Alfred A. Campbell, Esquire, Crown Land Ageat, Belleville.

A cylinder printing press is said to have been invented in Leipsic, which can print 14,000 sheets an hour, and costs far less than here's great American press.

A hard of blooded cattle was recently sold in England for \$10,000 an average of \$330 per head. The English papers say these grices were unusually high.

Cooking, Parlor & Box Stoves, A sweet smiling countenance is pleasant to look upon: even incorrigible old basebolors comercines soften down under its genial inflaence; but when a smile by long and forced practice gets smmered down to a simber, it becomes stale and insiple—it is, is fact, silly. When we meet a woman with vinegat strongly marked in the countenance, we invotentarily conclude that there is not much hapiness in the house over which she presides. When we meet a young lady with an airy countenance, with a tendency to simper, we are inclined to think that there is not much probability of her haying a houshold to preside over. R. RUNCIAAN.
