### TOWN TOPICS.

**A GOOD PRESENT.**—The most useful gift you can make is to give a Wise Pen. Apply to D. McMillan, agent, Goderich.  
**Geo. Stewart** isn't taking views for the "Huron Fair" but they prepared to do the work on reasonable terms. He is not a wet fish.  
The summer is well upon us and those who want to get seasonable suits made should not fail to call upon the people's tailor, F. J. Friedman, who leads the procession in his line.  
Merchants can get their Bill Heads, Letter Heads, etc., printed at this office for very little more than they generally pay for the paper, and it helps to advertise their business. Call and see samples and get prices.  
The report that Mr. R. Sellows was about to drop out of the picture-framing business is not correct. He does not neglect in the slightest particular his photo line, but he still does a fine trade in picture framing.  
Being compelled to discharge our plumber, we seek our patrons to bear with us for a few days. We are getting a first-class man from Toronto on Monday next. We have on hand a full stock of hose, lawn sprinklers, hydrants and sanitary plumbing ware. We do only first-class work at reasonable prices and so.

**BRIEFLETS.**  
Miss M. Grant left on Wednesday last to visit friends in Detroit.  
Garnet Fraser, who has been visiting in town, left by the Lora on Saturday last for his home in Detroit.  
Mr. Charles Smith returned to Montreal on Saturday after a two weeks' visit at the maternal residence, Colborne street.

Miss Blair, teacher in the central school, who was seriously ill the past two weeks, is, we are pleased to record, steadily improving.  
Mr. and Mrs. Rees Price of Goderich, left on Wednesday last, via the steamer Campana, for the Soo, where they intend visiting their son Fred.

Mr. John Lynn, of California, who has been residing in Goderich for some time, left on Saturday last for Detroit, where he has secured a situation.  
Miss Jessie Thompson, who has been attending the kindergarten school at St. Mary's, has returned home for vacation preparatory to attending the Normal School, Toronto.

The Bible Christian church, two miles east of Beaulieu, has purchased of Geo. W. Thompson, local agent for the Goderich Organ Co., one of those beautiful church organs. Success to them.  
Mr. A. Duff, of this town, who has been teaching at Chesapeake, county of Haldimand, is spending his vacation with his family in town. He has a decided preference for the Huron Tract.

**SETTLEMENT EFFORTED.**—The inspector of the Western Assurance Co. was in town last Thursday and made a satisfactory settlement with Mr. P. McEwen regarding the fire at his salt works. The fire that caused Mr. McEwen's loss started in the derick.  
HE WILL BE WELCOMED.—Rev. T. M. Campbell, of St. Mary's, who is so highly esteemed by so many people in Goderich, will occupy North-st. Methodist church pulpit Sunday next, morning and evening. Rev. Geo. Richardson will occupy the St. Mary's pulpit the same day.

**LEGAL HOLIDAYS.**—Our hard-working brethren—the legal fraternity—are now enjoying their summer vacation. The law offices are closed at 3 p.m. every afternoon except Saturday, and the shutters go up at one o'clock. Litigants should govern themselves accordingly.  
**SACRAMENT SERVICE.**—The sacrament of the Lord's Supper will, D. V., be dispensed in Knox Church, next Lord's Day morning. Mr. Anderson will conduct the service. The preparatory service will be held this (Friday) evening at 7:30 o'clock, when Rev. D. M. Ramsay, B.D., of Londonboro', will preach.

**Mr. Will Hutchinson, of the Winnipeg Mills, is in town for a week or two after an absence of two years. He reports things lively in the Prairie Province, and looks for a big yield of agricultural products there.**

**A WELL-BRED HORSE.**—We clip the following from *Dominion's Spirit of the Turf*, published at Chicago, which refers to a well-known Goderich horse, owned by Messrs Aikhead & Gundry:—"Is Zamor registered as thoroughbred? If so what is his pedigree and in what book?" R.S. "ASA"—(1) He is registered in Vol. V Bruce's American Stud Book as a well-bred imp Mortimer; dam Zoo Zoo, by imp Australian; 2d dam by Lexington; 3d dam by imp Yorkshire. We like his breeding.

**HE GETS THERE ALL THE SAME.**—The Clinton *New Era* thus refers to the building operation of a former resident of Goderich: "Mr. S. S. Cooper has been awarded the contract for the erection of a new house for Mr. P. Quigley, Hullitt; Mr. Cooper put one up for Mr. T. T. Quigley (Quigley's brother-in-law) and it is to be the same as that one. Where Sam does one job it is usually a recommendation for another. What's stopping the boys is why Pat Quigley wants a new house when he has no one to occupy it, but even if he gets a new one, he will need a McIntosh to keep it dry."

**EXCURSION FROM WOODSTOCK.**—About 400 excursionists from Woodstock, principally employees of Kerr's organ factory and Patterson's agricultural implement works came to Goderich Tuesday morning at 10 o'clock on a special train of eleven coaches. They at once proceeded to Harbor Park, where a program of athletic sports and games was successfully carried out. The games consisted of football, basketball, and baseball. About 4000 visitors availed themselves of the opportunity to take a ten mile excursion on the lake on the steamer Roberts, which all heartily enjoyed. The excursionists left for home shortly after 6 p.m., by the G. T. R., well pleased with their visit to Huron's county town.

**SUNDAY EVENING DISCOURSE.**—Last Sunday evening in Victoria-st. Methodist Church, Rev. B. L. Hutton gave a crisp, interesting and instructive discourse on "Our rich and prosperous heritage." He compared the former times with the present, gave a tribute of honor to the early pioneers who are rapidly passing away, and pointed out the sources of thankfulness to God. All honor to the flag that bears the maple leaf. Canada is the future granary of the world; the best grazing land; the richest soil; the best potatoes; the best produce in all the Dominion. He ended his discourse by urging his hearers to be true to God, to live unselfish lives, and to cultivate a national, patriotic feeling. Mr. Hutton's theme for next Sunday will be "Egypt's gift to the world."

**A GRIEVANCE REMEDIED.**—Word was received this week that the G. T. R. authorities, in answer to the representations made by the Board of Trade, regarding the unfair rates charged for lumber freights from Goderich, had decided to make a reduction on the rates to the points served by Goderich, and on the closing of navigation a further change will be made which will place the dealers here on a still more equitable basis compared with other distributing centres. It will be remembered that a decision of the Board of Trade, in 1887, accompanied by Mayor Butler met Sir Joseph Hickson on the occasion of his visit to Goderich a few weeks ago, and emphasized at some length the existing discrimination, which could only have the effect of completely killing the lumber trade here. That the representation made here was just is shown by this prompt reply from the railway officials, which makes it possible for our lumber dealers to compete with other points of shipment.

**A PECULIAR CASE.**—Before we went to press last week a report was around that Mr. Thomas Gibbins, a well-known resident of Clinton, had been drowned in the vicinity of the old International salt-works. We looked into the case at the time, but the evidence of the truth of the rumor was not sufficient to induce us to make public reference to the matter. So far as we have been able to learn the facts are these: Gibbins came to Goderich on Dominion Day ostensibly to visit friends who reside here. On a stump near the International salt-block was found his coat and, close to that his hat was picked up, but no trace of Gibbins could be found. Near the pier was an old scow in which some surmised he had been rowing and had fallen out, but there was nothing further to bear out this theory. Some time was spent "dragging" the vicinity of the supposed accident, but that was soon given up, and the theory of suicide or drowned accident was abandoned. It is now believed that Gibbins, in a fit of mental aberration or from other causes, has gone to parts unknown, and that the placing of the hat and coat at the place named was with the design of giving an air of death by drowning to his disappearance. It has been ascertained that on the day of his disappearance he purchased a new suit of clothes here, and that he enjoyed a shave of a clean shave and hair cut. It is also stated that he took train from Goderich the same day. Hitherto Mr. Gibbins has been looked upon as a man scrupulously honest and upright in his dealings, but the peculiar circumstances attendant upon his latest action certainly give an air of mystery to the case.

**RECEIVED THE SILK GOWN.**—We are pleased to learn that amongst recent recipients of the title of Q. C. was Mr. W. C. Hamilton, of Regina, N.W.T., well and favorably known in Goderich—of which town, by-the-way, he is a native. We congratulate our former townsman upon having obtained the much coveted distinction.

**PASSED AWAY.**—Miss Nora Seymour, sister of our former townsman, Mr. William Seymour, died in Goderich on Wednesday. She had been an invalid for some time, and came to Goderich in the hope of recuperating by change of air, but disease had too great a hold of her and she succumbed. The funeral will take place this (Friday) morning at 9 o'clock.

**APPOINTED COMMISSIONER.**—Mr. J. G. Ward, of Duggan's, was in town Monday last, and received a parchment which entitled him to act as commissioner for the taking of recognizances of bail, or affidavits, or affirmations or depositions or solemn declarations in and for the County of Huron. The appointment of Mr. Ward will prove a boon to the people of his section, and save many of them the trouble of coming to Goderich.

**A STRICKEN FAMILY.**—We regret to learn that four members of the family of Mr. W. R. Robertson have been stricken down with illness during the past week, but hope soon to hear of the recovery of all the patients. Amongst them is Mr. Will Robertson, well and favorably known through his connection with the business office of THE SIGNAL. He and his family have the full sympathy of our entire staff.

**STRAWBERRY SOCIAL.**—The social held under the auspices of the Y. P. S. C. E. of North-st. Methodist church, Tuesday evening last, on the beautiful grounds of Mr. Johnston Carey, was well attended and an enjoyable time was spent. In addition to refreshments consisting of strawberries, cake and ice cream, an interesting musical program was presented. The program consisted of songs, Miss Cooke instrumental duet, Miss Graham and Curran; solo, Miss Graham, and several other selections by the orchestra, which were greatly appreciated. Votes of thanks were passed to Mr. Carey for use of grounds, and to those who had furnished the musical program.

**A FREIGHT TO EUROPE.**—The publisher of *The Canadian Queen* will give a free trip to Europe to the person sending from the largest number of words collected from letters contained in the name of their well-known magazine, *The Canadian Queen*. Additional prizes, consisting of silver tea sets, gold watches, china dinner sets, portiere curtains, silk dresses, trousseaus, and many other valuable articles will also be awarded in order of merit. Webster's Unabridged Dictionary to be used as authority in deciding the contest. Every one sending a list of not less than ten words will receive a present. Contest open to subscribers only. 3c stamp, for illustrated catalogue of presents, and three months' trial subscription to the *Queen*. Address *The Canadian Queen*, 58 Bay St., Toronto, Ont.

**HURON PRESBYTERY.**—The regular meeting of the Presbytery of Huron was held in Knox church, Goderich, Tuesday last, July 8th. Mr. Fletcher was appointed moderator, but in his absence Mr. Acheson was requested to take the chair. Minutes of last meeting were read and signed. On behalf of the committee on superintendence of students, Mr. Martin stated that he had notified Mr. Egan, of the Methodist church, Nils, was present, and was invited to be a corresponding member. After some discussion on several important matters to the public the Presbytery adjourned to meet in Carmel church, Hensall, on the 22nd Tuesday in September.

**ORANGE ANNIVERSARY.**—The Orange-men of Goderich, with several lodges from a distance, attended Divine service last Sunday afternoon at three o'clock. The attendance was very large; the building will comfortably seat 600, and it was filled to its utmost capacity. It is currently reported that never so large an audience assembled in said church. Rev. B. J. Hutton, pastor, was the preacher. His selected text was the first three verses of the tenth chapter of Revelation of St. John. He learned that to the majority the discourse gave satisfaction. He used no clubs and threw no stones. The style was more suggestive of thought than any dogmatic teaching. He claimed to be no fanatic, neither would he say anything leading to fanaticism. As with reference to the enemy of which Orangemen was the "watch-dog" while the speaker desired to be bold, fearless and uncompromising he would not be one-sided or unjust. On the side of the reputed enemy were spirits noble, pure and spiritual. The enemy was neither Devil nor the Lord incarnate. It was a matter of diverse opinion whether the alarm-bell need be rung today. Don't cry "wolf, wolf" if there be no wolf. Zeal should always be accompanied by knowledge and discretion. Mr. Hutton occupied a full hour in the delivery of his discourse, but the audience were not weary and as far as we can learn if all speakers to Orange-men were as discreet, just and upright in their remarks as Mr. Hutton fanaticism would cease to flourish and better days would dawn.

**Dr. M. Nicholson, the West-st. dentist, makes the preservation of the natural teeth a specialty. Gas administered from 9 a. m. for the painless extraction of teeth.**

**Mr. and Mrs. Thom and infant son, of Montreal, were visiting Mrs. Thom's parents, Mr. and Mrs. M. Hutchinson on Tuesday last. Mr. Thom returned to Montreal on Tuesday but Mrs. Thom and child will remain here for a couple of months to enjoy our bracing air.**

**A NEW FACE IN KNOX CHURCH PULPIT.**—Rev. S. Jones, of Brussels, occupied the pulpit in Knox church very acceptably on Sunday morning. Mr. Jones has passed four score and three milestones, but his natural forces are still vigorous and his powers are unabated. We understand he will occupy the same pulpit for the three ensuing Sabbaths.

**SUCCESSFUL STRAWBERRY FESTIVAL.**—The people of Victoria-st. Methodist church were congratulated on the success of their strawberry festival last Friday. The day was wet and winds cold, yet the attendance was good and the social was in many respects all that could be desired. The lady club swung under Mr. Baily, gave a series of refreshments. The evening's enjoyment was marred by the cold, high winds prevailing, in consequence of which the grounds could not be illuminated. The young people are very grateful to Mr. Bawden for the use of his house and grounds. Proceeds, \$42.60.

**A BEAUTIFUL SUBSCRIPTION PICTURE.**—We have just received from Mr. Wald, editor and proprietor of the *Farmer's Advocate*, of London, Ont., and Winnipeg, Man., a copy of his subscription picture, called "Canada's Pride." The picture is 24x36 inches, and shows a beautiful landscape. In the foreground are the portages of nine celebrated draught horses. The ownership and the particulars of each horse is concisely given. The picture itself is a very fine original engraving, and is the best thing of the kind ever issued in America. The picture is a beautiful work of art, framed by sending five new subscribers at \$1.00, each will receive one by express in a handsome frame, either gilt, cherry, antique oak or ash.

**A FREIGHT TO EUROPE.**—The publisher of *The Canadian Queen* will give a free trip to Europe to the person sending from the largest number of words collected from letters contained in the name of their well-known magazine, *The Canadian Queen*. Additional prizes, consisting of silver tea sets, gold watches, china dinner sets, portiere curtains, silk dresses, trousseaus, and many other valuable articles will also be awarded in order of merit. **HIGH SCHOOL ENTRANCE EXAMS.**—The examinations for entrance to the High School in West Huron took place last week. 67 wrote at Goderich, 45 at Exeter and 23 at Dugganston. The list will appear next week.

**WRITING FOR CERTIFICATES.**—The writing for certificates opened Tuesday morning last in the Court room, under the management of Inspector Tom. There were 22 writing for 2nd; 52 for 3rd; and 3 for matriculation.

**BARGAIN COUNTER.**—By reference to the announcement on our eighth page it will be seen that Mrs. R. B. Smith has established a bargain counter at the Glasgow House, where Berlin wools, ribbons, laces, &c., can be had at genuine bargains. Early callers secure the best selection.

**ORIT.**—The remains of Charles E. Slack, a native of Goderich, but for many years past a resident of the United States, arrived from Argentine, Kansas, Thursday last. He had been sitting for some months in bed, and passed away on Tuesday last. He will be buried from the residence of the late Thos. Dark this (Friday) afternoon at 3 o'clock.

**SATISFIED WITH THE CHANGE.**—The many friends of Mr. Samuel Grigg, formerly of this town, but now manager of the water works at Northfield, Mass., (built for the accommodation of those who attend the Moody meetings) will be pleased to know that he is thoroughly satisfied with his change in life, and has no desire whatever to return to his former occupation.

**HE BELIEVES IN GODERICH'S RECRUITING POWER.**—Mr. Wm. Seymour, of Detroit, formerly a well-known and esteemed resident of Goderich, is spending a week or two in town, accompanied by his wife and family. Last year about this time Mr. Seymour spent a few weeks in Goderich to recruit his health after a three months' illness in Detroit the previous spring, and so satisfactory were the results that he has had neither ache nor pain since. He is now over here for some of the old medicines—the bracing breeze of Lake Huron.

**PUBLIC SCHOOL BOARD MEETING.**—The monthly meeting of the public school board was held in the library on Monday evening, members all present. The principal's report, showing the average attendance for June, 548—boys 290, girls 258—was filed. Account of Fraser & Porter, \$10.50, was ordered to be paid. An application from Mr. W. Herbert Robertson for the position of assistant during the summer term was read and the gentlemen unanimously appointed by the board. Miss Blair's room was ordered to be vacated during vacation, the chairman and Messrs. Crabb, Swanson and McKenzie being appointed a committee for purchasing seats. Several resolutions and reports were referred to the contingent committee, and the board adjourned.
