

Two months ago we issued a Warning and an Appeal in relation to the Food Supply of the Colony. Since then prospects have grown considerably worse through the partial failure of the Winter Wheat Crop of the United States.

A period of great scarcity of foodstuffs faces the world, and we again urge you to use your very best endeavour to produce all the Food you possibly can.

If you are a Farmer, increase your sowing of potatoes, other vegetables and fodder.

If a Fisherman, endeavour to catch more fish.

It seems perfectly certain that all foodstuffs will fetch high prices.

To all we recommend economy. Let no food be wasted.

**A Wonderful Help in Keeping the
Complexion Youthful and Clear.**

Perhaps you wonder how so many women manage to have a complexion that is always fresh and clear, and how you can make your complexion better. Here's the secret—

This is the Vanishing Cream that softens the skin and gives it that soft, velvety radiance that we all desire. Nyal's Face Cream is not oily or greasy, and it is readily absorbed by the skin, vanishing without leaving any tell tale gloss on skin. The skin welcomes this pleasant, soothing, cooling cream. It makes dry, tight skin soft and pliable. It makes rough skin firm and smooth, and gradually gives to coarse rough skin a finer, more delicate texture.
