### WHAT ONE OF THE BEST KNOWN TRAVELLERS IN CANADA SAYS.

"Now I am going to give you an unsolicited testimonial, as they say in the patent medicine advertising. Herebefore I have had a profound contempt for patent medicines, particularly so-called liniments. Perhaps this is due to the reason that I have been blessed with a sturdy constitution, and have never been ill a day in my life. One day last fall after a hard day's tramp in the slush of Montreal, I developed a severe pain in my legs, and of course like a man who has never had anything wrong with him physically, I complained rather boastfully. The good little wife says: 'I will rub them with some liniment I have.' 'Go ahead,' I said just to humor her. Well in the comes with a bottle of MINARD'S LINIMENT and gets busy. Believe me the pain disappeared a few minutes after, and you can tell the world I said so."
